SUBJECT:	CR-65 – Karl's Farm Subdivision Improvement Agreement Partial Assignment –
FROM:	Brook Svoboda, Director of Planning and Development
THROUGH:	Heather Geyer, City Manager
TO:	Honorable Mayor Meredith Leighty and City Council Members
DATE:	April 13, 2020

#### PURPOSE

To consider a resolution partially assigning the Karl's Farm Subdivision Improvement Agreement (SIA) from KF Developers, Inc. to Meritage Homes of Colorado, Inc.

#### BACKGROUND

The developer is requesting the assignment of the SIA to Meritage Homes of Colorado, Inc. and Richmond American Homes of Colorado Inc. to allow the builders to construct their respective portions of the public improvements as outlined in the SIA that was approved by City Council on February 24, 2020. This resolution will specifically address the portion of the assignment to Meritage Homes of Colorado, Inc. The assignment to Richmond Homes of Colorado, Inc. will be addressed by separate resolution.

Meritage and Richmond Homes desire to construct their respective portions of the public improvements outlined in the SIA; the contract assignment and assumption of obligations will enable them to manage the construction schedule for their separate public improvements.

The assignment does not change the original terms or obligations of the SIA.

Re: City of Northglenn Subdivision Improvement Agreement – Final Plat for Karl's Farm Filing #1, Amd No. 1 Final Plat (the "Final Plat") – Request for Assignment

Dear Brook,

This letter is to formally request the City approve and authorize a partial assignment of the rights and obligations under the City of Northglenn Subdivision Improvement Agreement – Final Plat for Karl's Farm Filing #1, Amd No. 1 Final Plat (the "SIA") from KF Developers, Inc., ("KF") to Richmond American Homes of Colorado, Inc., a Delaware corporation ("Richmond") with respect to the improvements contained within Phase I and Phase II of Exhibit D to the SIA and to Meritage Homes of Colorado, Inc., an Arizona corporation ("Meritage") with respect to the improvements contained within Phase III of Exhibit D to the SIA and to Meritage Homes of Colorado, Inc., an Arizona corporation ("Meritage") with respect to the improvements contained within Phase III of Exhibit D to the SIA.

Each of the improvements contained within Phases I, II and III of Exhibit D to the SIA is capable of being developed separately and apart from the improvements contained in the other phases. The real property within the Final Plat that contain Phases I and II will be owned separately by Richmond. Meritage will own the real property within Phase III. Richmond and Meritage will be separately developing their respective properties; thus, Richmond will construct the improvements within Phases I and II and Meritage will construct the improvements within Phase III.

Since the property will be owned and developed by separate entities, Richmond and Meritage each seek to have their duties and obligations separated such that if either builder fails to perform under their respective Phase, the other builder is not adversely affected thereby. Further, it is a condition to each of the builder's acquisition of their respective properties, that their surety obligations and improvement obligations be separated from each other. Each builder has executed this request for partial assignments below and by executing this request, each builder likewise affirms that it will assume the respective obligations assigned to it by the partial assignment at the time of its closing on its acquisition of the real property. It is anticipated that Richmond and Meritage will close on their respective properties within the next 30-45 days, accordingly, we hereby request the City consent to such assignments prior to March 30, 2020. However, in no event will the partial assignments be binding upon either Richmond or Meritage, unless and until they acquire their respective properties and until such acquisition, KF will remain the obligated party.

If you have questions or concerns, please don't hesitate to contact me. We sincerely appreciate your help with this matter.

Sincerely,

KF Developers, Inc.

All conditions contained herein are in addition to any and all requirements of the City of Northglenn Subdivision and Zoning Regulations, the City of Northglenn Home Rule Charter, any and all state statutes, and any other sections of the City of Northglenn Municipal Code, and are not intended to supersede any requirements contained therein.

Upon the City's approval of the Final Plat, Owner/Developer shall immediately deliver the original of the Final Plat, containing all revisions and amendments required by the City Council or as directed by City Staff prior to Final Plat approval, to the City Clerk. Owner/Developer shall also pay for the costs of recordation of the Final Plat and this Agreement. In addition, Owner/Developer shall deliver to the City Clerk, along with the Final Plat, two (2) sets of complete and final Construction Plans.
- 3.0 <u>RECORDATION OF PLAT</u>. Failure of Owner/Developer to submit an acceptable Final Plat and Security as specified in Section 11 of this Agreement to the City Clerk within ninety (90) days of the date of this Agreement shall, upon the enactment of a resolution by the City Council finding that the submittal was untimely, void Final Plat approval for the Project and this Agreement. If Owner/Developer timely submits a completed and recordation-ready Final Plat to the City, the City agrees to record the Final Plat no later than fifteen (15) days after it is submitted to and received by the City. The Final Plat and Construction Plans, as approved by the City, are incorporated into this Agreement for all purposes including illustration and interpretation of the terms and conditions of this Agreement.

At all times during construction of the Public Improvements, the City shall have the right to test and inspect, or to require testing and inspection of materials and construction at Owner/Developer's expense. Public Improvements may be constructed in phases in accordance with an approved phasing plan.

Such Public Improvement Plans shall be prepared in accordance with this Agreement, the Northglenn City Municipal Code, and the City of Northglenn Public Right-of-Way Standards and Specifications as amended and shall be subject to approval by the City Engineer in accordance with the Northglenn City Municipal Code. Such Public Improvement Plans shall specifically include, by way of illustration but not limitation, 100% complete final construction and engineering plans and drawings;

and

Construction cost estimates, as shown in Exhibit D for all costs and 10.2 expenses associated with the construction and completion of all Public Improvements to be constructed by the Owner/Developer in accordance with this Agreement. Such cost estimate shall bear the stamp and a certification of accuracy of a Colorado-licensed engineer with experience in construction cost estimating. The City may, in its discretion and at the City's cost and expense, submit the Public Improvement Plans and Owner/Developer's cost estimate to a City-retained engineer for review and an opinion of the construction cost estimate. Reasonable revisions and modifications to the Owner/Developer's construction cost estimate requested by the City or the City-retained engineer shall be implemented by the Owner/Developer prior to final acceptance of the estimate by the City. Where the City's cost estimate exceeds the Owner/Developer's estimate, the City's estimate shall govern and control the amount of any required letter of credit or other surety required from the Owner/Developer for the Public Improvements.

# 11.0 REQUIRED SECURITY FOR PUBLIC IMPROVEMENTS.

In order to secure the construction and installation of the Public 11.1 Improvements the Owner/ Developer shall, prior to recording the final plat in the real estate records of Adams County, which recording shall occur no later than ninety (90) days after the execution of this Agreement, at the Owner/Developer's expense, furnish the City with the performance guarantee described herein. The performance guarantee provided by the Owner/Developer shall be cash or an irrevocable letter of credit in which the City is designated as beneficiary in an amount equal to construction cost estimate described in Section 10.2 of this Agreement, in order to secure the performance and completion of the Public Improvements. The Owner/Developer agrees that approval of the final plat of the City is contingent upon the Owner/Developer's provision of the performance guarantee described herein within ninety (90) days of the execution of this agreement in the amount and form provided herein. Failure of the Owner/Developer to provide cash or an irrevocable letter of credit to the City in the manner provided herein shall negate the City's approval of the final plat. Letters of credit shall be substantially in the form and content set forth in Exhibit E, attached hereto and incorporated herein, and shall be subject to the review and approval of the City Attorney. The Owner/Developer shall not start the construction of any public or private improvement on the Property including, but not limited to, staking, earth work, overlot grading or the erection of any structure, temporary or otherwise, until the City has received the cash or received and approved the irrevocable letter of credit.

Due to the length of the construction period for the Public Improvements, Owner/Developer may at any time on or after the anniversary of this Agreement request that the City release that portion of the cash of letter of credit held as security by the City for performance of this Agreement to reduce the amount of such security to the estimated cost of the remaining construction costs to be incurred to complete the Public Improvements. Owner/Developer shall, if requested by City, provide to City copies of invoices for construction of the Public Improvements, evidence of payment of such invoices, provisional lien releases for portions of the work performed through such date and any other documents reasonably requested by City related to construction progress towards completion of the Public Improvements. Upon providing such documentation to the City, City shall, within twenty (20) days, release to Owner/Developer that portion of the security held by the City equal to the difference between (i) the amount of security held by the City and (ii) the estimated costs remaining to complete construction of the Public Improvements; provided, that such release shall not reduce the amount of the security below the amount required by this Agreement to be retained by the City between the date of completion of the Public Improvements and the end of the warranty period discussed below. If the Security is provided by a letter of credit, such release may occur, at Owner/Developer's request, by either a reduction in the face amount of the letter of credit or the issuance of a new letter of credit.

In the event the Public Improvements are not constructed or completed within the period of time specified herein of this agreement or a written extension of time mutually agreed upon by the parties to this agreement, the City may draw on the cash or letter of credit to complete the Public Improvements called for in this agreement. In the event the letter of credit is to expire within fourteen (14) calendar days and the Owner/Developer has not yet provided a satisfactory replacement, the City may draw on the letter of credit and either hold such funds as security for performance of this agreement or spend such funds to finish the Public Improvements or correct problems with the Public Improvements as the City deems appropriate.

Upon completion of performance of such improvements, conditions and requirements within the required time and the approval of the City Public Works Director, the Owner/Developer shall provide cash, shall issue an irrevocable letter of credit, or shall reduce the face amount of an existing letter of credit to the City in the amount of ten percent (10%) of the total cost of construction and installation of the Public Improvements, to be held by the City during the two (2) year warranty period. If the Public Improvements are not completed within the required time, the monies may be used to complete the improvements.

Notwithstanding the foregoing, Owner/Developer may furnish the Security for the Public Improvements in accordance with an approved phasing plan.

# 12.0 COMPLETION AND ACCEPTANCE OF PUBLIC IMPROVEMENTS.

- 12.1 The Owner/Developer shall complete construction of the Public Improvements within Two (2) Years of the date on which the Owner/Developer provides the performance guarantee to the City for the construction of the Public Improvements in accordance with the terms of this Agreement. Upon completion of construction of the Public Improvements and Owner/Developer's written request for probationary acceptance of such Improvements ("Construction Acceptance"), the Owner/Developer shall:
  - 1. File with the City an original or sepia reproducible copy of the as-built construction plans of such Public Improvement(s), stamped and certified by the Engineer of Record who shall also be a Colorado registered professional engineer; and
  - 2. Submit to the City a sworn affidavit and documentary evidence that there exists no lien or encumbrance upon or against the Public Improvements resulting from unpaid amounts owing to contractors, subcontractors, material persons, or other persons involved or engaged in the construction or installation of the Public Improvements. The Owner/Developer shall promptly modify, alter, and repair at its own cost and expense any improvements not constructed in accordance with the Construction Plans so that the improvements conform to the Construction Plans. The Public Improvements shall become the property of the City (and the City's maintenance responsibility) upon Construction Acceptance of the Public Improvements by the City.
- 12.2 The City shall issue to the Owner/Developer a certificate of Construction Acceptance granting probationary acceptance of the Public Improvements and setting the terms of the warranty period. The probation and warranty period ("Warranty Period") shall terminate Two (2) years from the date of Construction Acceptance.
- 12.3 At the end of the Warranty Period, the City shall reinspect the Public Improvements and require correction of all defects and failures of the Public Improvements prior to the issuance of final acceptance of the Public Improvements and release of any remaining Security ("Final Acceptance").
- 12.4 The Owner/Developer may obtain up to six (6) building permits for model homes prior to probationary acceptance of public improvements provided there is adequate fire protection and all weather emergency access(es) available to the site on which the model homes are to be constructed, in the

City's sole discretion. In the event that Owner/Developer receives building permit(s) for model homes prior to probationary acceptance of public improvements, the Owner/Developer shall (i) not convey title to such model home until such probationary acceptance; and (ii) agree to indemnify and hold harmless the City, and its officers, employees, and agents, from any and all claims, damages, injuries, losses and expenses, including reasonable attorney's fees, arising out of or resulting from the building, showing, or any use of the model homes.

- 13.0 <u>WARRANTY OF PUBLIC IMPROVEMENTS</u>. The Owner/Developer hereby represents that the Public Improvements shall be designed to reasonably achieve the purposes intended for the Public Improvements and hereby warrants the design, quality of materials, quality of construction, and quality of workmanship of all such City-accepted Public Improvement(s) for a period of two (2) years from the date of the City's Construction Acceptance of the Public Improvements.
- 14.0 <u>PAYMENT OF FEES AND CHARGES</u>. The Owner/Developer will comply with all ordinances, rules, and regulations of the City and shall pay all fees and other charges in a timely manner as required by the City including, but not limited to, building permit fees, inspection fees, tap or connection fees, and plan review fees which are imposed by the City by ordinance, rule, resolution, motion, agreement, or by the terms and conditions of this Agreement. In addition to any other remedy available to the City, the City may withhold and deny issuance of any building permit, certificate of occupancy, or other permit or approval until all due and outstanding fees are paid by the Owner/Developer.
- 15.0 FORM OF PAYMENT OF ALL FEES AND CHARGES. Unless otherwise agreed to by the City Manager on a case by case basis, the Owner/Developer's payment of fees and charges specified by this Agreement shall be made in the form of certified funds, cashier's check, or cash delivered to the City of Northglenn, City Hall, 11701 Community Center Dr, Northglenn City, Colorado.
- 16.0 <u>DELAYS</u>. The Parties have executed this Agreement such that completion of the improvements shall be subject to strikes, accidents, acts of God, weather conditions that justify a delay of construction in light of standard practices in the building profession, inability to secure labor, fire regulations or restrictions imposed by any government or governmental agency, or other delay resulting from events that are beyond the control of the delaying party and which are agreed to by the Parties as justifying delay.
- 17.0 <u>WAIVER</u>. A waiver by any party to this Agreement of the breach of any term or provision of this Agreement shall not operate or be construed as a waiver of any subsequent breach by either party. The Parties understand and agree that nothing contained in the Final Plat is intended to waive or modify any applicable provision of state or local law.

- 18.0 <u>NO WAIVER OF GOVERNMENTAL IMMUNITY</u>. Nothing in this Agreement shall be construed to waive, limit, or otherwise modify any governmental immunity that may be available by law to the City of Northglenn, its officials, employees, contractors, or agents, or any other person acting on behalf of the City and, in particular, governmental immunity afforded or available pursuant to the Colorado Governmental Immunity Act, Title 24, Article 10, Part 1 of the Colorado Revised Statutes.
- 19.0 <u>BINDING EFFECT</u>. The Parties hereto agree that this Agreement, by its terms, shall be binding upon the successors, heirs, legal representatives, and assigns thereof and shall constitute covenants running with the described property. At the time it records the Final Plat, the City shall also record this Agreement. To the extent permitted by law, all Owner/Developer and all future successors, heirs, legal representatives, and assigns of the Owner/Developer shall be jointly and severally responsible for all terms, conditions, and obligations set forth in this Agreement.
- 20.0 <u>NO THIRD PARTY BENEFICIARIES</u>. It is expressly understood and agreed that enforcement of the terms and conditions of this Agreement, and all rights of action relating to such enforcement, shall be strictly reserved to the City and Owner/Developer, and nothing contained in this Agreement shall give or allow any such claim or right of action by any other third person on such Agreement. It is the express intention of the City and Owner/Developer that any person other than the City or Owner/Developer and their successors and assigns receiving services or benefits under this Agreement shall be deemed to be an incidental beneficiary only.
- 21.0 <u>GOVERNING LAW, VENUE, AND ENFORCEMENT</u>. This Agreement shall be governed by the laws of the State of Colorado. Venue for any action arising from this Agreement shall lie with any appropriate court within Adams County, Colorado. The Parties agree and acknowledge that this Agreement may be enforced at law or in equity, including an action for damages or specific performance. In addition to any other available remedies, it is understood and agreed that the City may withhold any permits or certificates requested by the Owner/Developer, including but not limited to building permits and certificates of occupancy for any lot within the Project in the event of a breach of this Agreement by the Owner/Developer.
- 22.0 <u>AGREEMENT AND RELEASE</u>. All or part of the rights, duties, obligations, responsibilities, or benefits set forth in this Agreement shall not be assigned by the Owner/Developer without the express written consent of the City of Northglenn. # EXHIBIT C DESCRIPTION OF PUBLIC IMPROVEMENTS

### EXHIBIT C DESCRIPTION OF PUBLIC IMPROVEMENTS

The project site consists of 32.09 acres of land. Proposed public improvements consist of three local streets and several concrete alleys. The three local streets are Farmview Street, Dairy Street, and Creamery Street. In addition to the streets, every residence is adjacent to a 26' wide alley within a 30' tract. Included in the street/alley infrastructure are the underground utility mains for storm sewer, sanitary sewer, and potable water. Fire hydrants are provided along the aforementioned public streets and concrete alleys. The project site slopes to the east, with water converging to the E. 123<sup>rd</sup> Avenue. Inlets along 123<sup>rd</sup> Avenue capture and carry runoff to the District Detention Pond located in the northeast corner of the project site.
