SOCIAL DISTANCING

Six Feet Away COVID-19 AND MINIMIZING RISK

6' is about the length of skis

COVID-19 is primarily spread through respiratory droplets produced when an infected person coughs or sneezes.

People who have sustained contact within 6 feet of an infected individual are most at risk of transmission.

WANT TO HELP LOCALLY?

The screenshot shows a Facebook group page for "Northglenn Cares". The top navigation bar includes the Facebook logo, a search bar with "Northglenn Cares" entered, and user profile information for "Heather". The main content area features a large landscape photo of a park with a pond and a fountain. Below the photo is a blue "+ Join Group" button and a "More" button. The left sidebar contains navigation options: "About", "Discussion" (highlighted), "Members", "Events", and "Photos", along with a search bar and a "Shortcuts" section listing various local groups. The main post area shows a post by "Spring Flowers" asking about school breakfast and lunch pick-up. A "RECENT ACTIVITY" section is also visible. On the right, a "DESCRIPTION" box contains text about a local event, and a "LOCATION" box shows a map icon.

#NORTHGLENNPROUD

THANK YOU!

Your Adams County elected leaders and all of our municipalities together with our state and federal delegation, support the Stay-At-Home Orders issued by Tri-County Health Department and

Governor Polis. For the safety of our frontline healthcare workers, emergency responders, and vulnerable community members, please Stay Home to Stop the Spread of COVID-19.

TOGETHER, WE ARE STRONG.
