COUNCILMAN'S BILL

ORDINANCE NO.

No. CB-1695
Series of 2009

Series of 2009

A BILL FOR AN ORDINANCE AMENDING THE NORTHGLENN MUNICIPAL CODE BY THE ADDITION OF A NEW ARTICLE 14 OF CHAPTER 18 ENTITLED MEDICAL MARIJUANA DISPENSARIES

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF NORTHGLENN, COLORADO, THAT:

Section 1. The Northglenn Municipal Code is hereby amended by the addition of a new Article 14 of Chapter 18 entitled "Medical Marijuana Dispensaries," to read as follows:

ARTICLE 14
MEDICAL MARIJUANA DISPENSARIES

Section 18-14-1. Short title. This Article shall be known and may be cited as the "Medical Marijuana Dispensary Ordinance."

Section 18-14-2. Findings. The City Council adopts this Article based upon the following findings of fact:

(a) On November 7, 2000, the voters of the State of Colorado approved Amendment 20. Amendment 20 added § 14 of Article 18 to the Colorado Constitution, and created a limited exception from criminal liability under Colorado law (as opposed to federal law) for seriously ill persons who are in need of marijuana for specified medical purposes and who obtain and use medical marijuana under the limited, specified circumstances described in Amendment 20.

(b) The intent of Amendment 20 was to enable certain specified persons who comply with the registration provisions of the law to legally obtain, possess, cultivate, grow, use and distribute marijuana without fear of criminal prosecution under Colorado (as opposed to federal) law.

(c) Despite the adoption of Amendment 20, marijuana is still a controlled substance under Colorado and federal law. As a result, making it legal for a person to obtain, possess, cultivate, grow, use and distribute marijuana, even for medical use as contemplated by Amendment 20, has the potential for abuse that should be closely monitored and regulated by local authorities to the extent possible.

(d) If not closely monitored and regulated, the presence of marijuana, even for the purposes legally permitted by Amendment 20, can cause an increase in illegal activities within the City affecting the health, safety, order, comfort, convenience and general welfare of the residents of the City.

(e) If medical marijuana dispensaries operating pursuant to Amendment 20 were allowed to be established and to operate without appropriate local regulation of their location, medical marijuana dispensaries might be established in areas that would be inconsistent with surrounding uses; or otherwise be detrimental to the public health, safety and welfare.

(f) Nothing in this Chapter allows a person to:

(1) engage in conduct that endangers others or causes a public nuisance;

(2) possess, cultivate, grow, use or distribute marijuana for any purpose other than for use as medical marijuana as authorized and limited by Amendment 20, and the implementing state statutes and administrative regulations;

(3) possess, cultivate, grow, use or distribute marijuana that is otherwise illegal under applicable law; or

(4) engage in any activity related to the possession, cultivation, growing, use or distribution of marijuana that is otherwise not permitted under the laws of the City or the State of Colorado.

(g) This Article is necessary and proper to provide for the safety, preserve the health, promote the prosperity, and improve the order, comfort and convenience of the City and the inhabitants thereof.

(h) No person, business, activity or use that distributed or involved the distribution of marijuana within the City prior to the enactment of this Article shall be deemed to have been legally established under this Code, and no such person, business, activity or use shall be entitled to claim legal, nonconforming status under any provision of this Code or applicable law.

Section 18-14-3. Purpose. Recognizing that there is a potential conflict between federal and state law with respect to the operation of medical marijuana dispensaries, it is the purpose of this Article to:

(a) Impose specific requirements and limitations for those individuals registering with the State of Colorado as a “patient” or “primary care-giver” as those terms are defined in Amendment 20, and the statutes and administrative regulations implementing Amendment 20.

(b) Require that a medical marijuana dispensary (as defined in this Article) be operated in a safe manner that does not endanger the public welfare.

(c) Mitigate potential negative impacts that a medical marijuana dispensary might cause on surrounding properties and persons.

(d) Regulate the conduct of persons owning, operating, and using a medical marijuana dispensary in order to protect the public health, safety and welfare.

(e) Establish a nondiscriminatory mechanism by which the City can control, through appropriate regulation, the location and operation of medical marijuana dispensaries within the City.

Section 18-14-4. Authority. The City Council hereby finds, determines and declares that it has the power to adopt this Article pursuant to:

- (a) The Local Government Land Use Control Enabling Act, article 20 of title 29, C.R.S.;
- (b) Part 3 of Article 23 of Title 31, C.R.S. (concerning municipal zoning powers);
- (c) Section 31-15-103, C.R.S. (concerning municipal police powers);
- (d) Section 31-15-401, C.R.S. (concerning municipal police powers);
- (e) Section 31-15-501, C.R.S. (concerning municipal authority to regulate businesses);

Section 18-14-24. Prohibited Locations; Permanent Location Required. Prior to the issuance of a permit for a medical marijuana dispensary, the City Manager shall determine whether the proposed location of the medical marijuana dispensary complies with the requirements of this Section. (d) The suitability of a location for a medical marijuana dispensary shall be determined at the time of the issuance of the first permit for such dispensary. The fact that changes in the neighborhood that occur after the issuance of the first permit might render the site unsuitable for a medical marijuana dispensary under this Section shall not be grounds to suspend, revoke or refuse to renew the permit for such dispensary so long as the permit for the dispensary remains in effect.
