Yes  No If no, please explain:

Why do you want to be a member of the Board of Directors for the Northglenn Youth Commission?

I feel that this is a good opportunity and think the youth need to speak to this. This would also be a good thing for a resimay.

How does your City government affect your life?

The city's government affects my life because I go to Rec. Centers and parks. All that is greatly provided by the city.

Other organizations, clubs, or teams that you are currently a member of:

I play hockey for Highland Hills, go track and basketball at my school. I have been a Relay for Life team captain twice.

What do you want to accomplish for youth in the City of Northglenn?

I would like to accomplish a skate park and plenty of ways for the youth to have a great time and say that Northglenn is a good city.

What impact do you think that youth of your age can have in our City?

With my age I think we think ahead unlike elders, thinking of stuff say 20 years ago.
