A RESOLUTION IN SUPPORT OF SENATE BILL 09-108 REGARDING THE FUNDING ADVANCEMENTS FOR SURFACE TRANSPORTATION AND ECONOMIC RECOVERY (FASTER) LEGISLATION

WHEREAS, the Governor's Blue Ribbon Panel on Transportation Financing reported that a minimum of \$500 million in new revenue is needed each year to maintain the State's current transportation system; and

WHEREAS, Colorado municipalities have identified more than \$400 million worth of unfunded transportation projects; and

WHEREAS, Senate Bill 09-108 begins the task of creating new revenue streams to support Colorado's transportation network, and would raise approximately \$260 million through the application of two vehicle registration fee surcharges; and

WHEREAS, the surcharges are a reasonable increase in highway user fees, and will bring some immediate relief to the crisis in road, bridge and multi-modal project funding, to address deferred maintenance, repair, and reconstruction of the existing transportation system; and

WHEREAS, the increase to the Highway User Tax Fund for the City of Northglenn is estimated to be \$214,000.00 annually from the revenue created by Senate Bill 09-108.

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF NORTHGLENN, COLORADO, THAT:

Section 1. The City Council hereby declares its full support of Senate Bill 09-108 regarding the Funding Advancements for Surface Transportation and Economic Recovery (FASTER) Legislation.
