Board of Directors Member

Today's Date 9/24/13

Name Savannah Van Duyn Birth date 11/11/99

Can you commit to attending meetings at 7:00 p.m. on the 1st & 3rd Tuesday of each month?

Yes No If no, please explain:

Why do you want to be a member of the Board of Directors for the Northglenn Youth Commission?

I want to be a part of an organization that cares about the future of youth. A lot of teens don't really care about what happens in their community until after it happens. I want to have a say on different decisions that will affect me.

How does your City government affect your life?

City government affects my life because both my home and school are in Northglenn. If the city were to change the hours you can occupy a public park it would mean a change in my neighborhood.

Other organizations, clubs or teams that you are currently a member of:

- Destination Imagination (Global Finals 2013)
- National Junior Honor Society
- Student Council

What do you want to accomplish for youth in the City of Northglenn?

I want to improve youth involvement, not only in after school activities but in academics. I know that I can be in 5 activities and keep my grades up, but other people might need to keep school in mind over extra-curriculars.

What impact do you think that youth of your age can have in our City?

I think that the youth can change a lot and improve the attitude that most teens have towards volunteering. We are the future leaders, so insuring that we know what every thing is worth is insuring a positive future.

Please return this completed application to the City Clerk's office (Northglenn City Hall, 11701 Community Center Drive, Northglenn CO 80233)
