“

**Julie Adams has been a great neighbor. She has taken out my garbage for years as I can't easily. She always keeps an eye on my house and has even shut my garage door that I left open late at night. She always lends a hand when she sees me coming home with groceries and helps with my paper. She checks on me often to make sure I'm doing well and is just all around a great neighbor. We are all lucky to know her.**

They help with snow removal, take trash containers out and in, offer to go to the store and take me places, call to check on me, brought food when I was layed up, helped with computer problems and other technical problems, always sharing and don't expect anything in return. I have had many neighbors in my lifetime, but these ladies are by far the BEST!

# Janice Hathaway & Emily Trawinski

Nominated by Sandra Elliott

“

In March I had dental surgery. It was a miserable situation and I was running out of foods I could eat. To my surprise, Emily reached out to me and said she was going to the store and asked if I needed anything. Her thoughtfulness brought me to tears. She shopped for me several times until I got better. Emily's mother Janice let me know that if I needed anything to call her any time.

Every winter Bud and Lauri Hines shovel 4 or 5 of the neighbor's walks, sometimes doing so twice a day when there is an ongoing storm. They respond quickly when asked for other kinds of help. They watch out for me (I'm 79) to make sure I'm OK.

“

Tina Kvitek, Jody Roper and their family, Brady and Emmy are neighbors everyone wants and needs. Shoveling snow, cutting up limbs broken from trees, trimming my hedge, taking trash to the curb and so many other things and rejecting any compensation although an occasional baked good is welcome. Tina is a marvelous handywoman and has done so many things it's hard to name them all from changing high lightbulbs to building steps off my patio.

”

“

Cathy is a nurse practitioner and she is our neighborhood nurse, as well as, the church nurse at the Catholic Church in Northglenn. Cathy is a volunteer in several organizations and is always willing to offer a helping hand.

They constantly go above and beyond to help out our community.
