

**PUBLIC WORKS DEPARTMENT
MEMORANDUM #2014 – 11**

DATE: February 10, 2014
TO: Honorable Mayor Joyce Downing and City Council Members
FROM: John R. Pick, City Manager 
David H. Willett, Director of Public Works 
SUBJECT: CR – 17; General Fund/Streets Division/Capital Equipment – 2014 Paint Striper Purchase

BACKGROUND

The Street Division of the Public Works Department is responsible for pavement markings within the City. In 2002 the City purchased an EZ Liner Paint Striper that loads in the back of a pickup truck to apply pavement markings. The life cycle is ten (10) years and this piece of equipment has a current rating of twelve (12).

On January 14, 2014 the City of Northglenn received four (4) quotes for replacement. One (1) quote was non-responsive and the Public Works Department reviewed the three (3) qualifying bids. Alta Coatings and Equipment, Inc. submitted a base bid with selected options of \$47,637.25, which was the lowest responsible, responsive bidder meeting all the City specifications.

This bid is for a 2014 Graco RoadLazer RoadPak System with options as requested by the city of Northglenn. A copy of the bid summary is attached to this memorandum. Graco paint strippers have a proven track record of being dependable and have performed well.

BUDGET/TIME IMPLICATIONS

The 2014 adopted Public Works Department/Street Division/Capital Equipment budget has allocated a total of \$227,000 for vehicle and equipment replacements of which \$47,637.25 will be used for the replacement paint striper. The Public Works Department will salvage the existing unit at an estimated value of \$2500.

RECOMMENDATION

Attached to this memorandum is a Resolution that, if approved, would allow the City Manager to issue a Purchase Order to **Alta Coatings and Equipment, Inc.** in the amount of **\$47,637.25** for the purchase of a 2014 Graco RoadLazer RoadPak System with options. Staff recommends approval of this Resolution.
