

**Parks, Recreation and Cultural Services Department**  
**Memorandum #15-2014**

**DATE:** September 22, 2014

**TO:** Honorable Mayor Joyce Downing and City Council Members

**FROM:** John Pick, City Manager   
Amanda J. Peterson, Director of Parks, Recreation and Culture 

**SUBJECT:** CR- 99 – Parks & Recreation 2015 Fee Schedule

**RECOMMENDATION**

Attached to this memorandum is a Resolution, which, if approved, would adopt the City of Northglenn Parks, Recreation & Cultural Services 2015 Recreation User Fee Schedule.

The Parks and Recreation Advisory Board unanimously approved the proposed fee schedule at their regular meeting on September 11, 2014. The proposed fees have been considered in the development of the 2015 revenue projections for the department, and staff recommends approval of the proposed Resolution.

**BACKGROUND**

The fees that have been proposed in the attached user fee schedule are developed based upon the User Fee Guidelines that have been adopted by the Parks & Recreation Advisory Board. These guidelines were originally developed in 1991, and have been updated as necessary since that time. The last revision was done in March 2009.

In accordance with the User Fee Guidelines, fees are determined based upon the actual cost to provide the service as well as the fees that are charged by our surrounding cities. Other factors that are considered include residency and the population that is served by a particular program. Fees are provided for all current programs or groups of programs.

Staff conducts a fee survey each year, comparing fees to those in the cities of Broomfield, Westminster, Thornton, Wheat Ridge, Commerce City, Lafayette, Lakewood, Apex Parks and Recreation, Brighton and Erie. These cities are chosen based on both proximity to Northglenn and similarity in services and/or population. As mentioned above, this fee comparison is just one of the factors for consideration when staff is developing fee recommendations.

The fee recommendations for 2015 are again comparable to the 2014 fees, with a small number of minor changes. Recommended changes for 2014 are identified on the fee schedule in yellow, as are changes that have occurred during the past two years. Changes are based upon increased or decreased demand, costs to provide a service, demand, and cost to receive those same services at the comparison cities. In addition, programs that were new in 2014 have been added to the fee schedule.

**BUDGET/TIME IMPLICATIONS**

The adoption of the fees is not anticipated to have a significant budget impact.
