

FINANCE MEMORANDUM
#14-19

DATE: November 10, 2014

TO: Honorable Mayor Joyce Downing and City Council Members

FROM: John R. Pick, City Manager 
Jason Loveland, Director of Finance 

SUBJECT: Proposed 2015 Annual Operating & Capital Improvement Budget

PURPOSE:

The following memorandum provides highlights of the 2015 Proposed Budget. The Proposed Budget was first presented to City Council on September 22 for their consideration.

SUMMARY:

The goals of the 2015 Proposed Budget are to successfully meet the service demands of the community, augment reinvestment in public assets and infrastructure, and continue to fortify the financial position of the organization.

The following is a summary of the highlights in the proposed budget:

Revenue

The City's property tax mill levy will remain at 11.597 in 2015. Of the 11.597 mills, 4.00 mills continue to be restricted for road reconstruction projects. City sales and use tax will remain at 4.0% with food for home consumption tax at 3.0%. Of the 4.0% tax, ½% is dedicated to be used for capital construction, while an additional ½% is reserved for purchasing water resources. On November 4, voters approved a 2% tax on marijuana and marijuana products in the City.

Revenues across the City are expected to increase 16% over the 2014 Budget. In 2014, the City is experiencing revenue growth in the areas of sales tax (19%) and fines and forfeitures (34%). Sales tax growth is largely attributable to new businesses opening at the Webster Lake Promenade and the retail marijuana industry. Traffic fine revenue has increased largely due to the patrol division of the police department being fully staffed in 2014.

Water use charges have remained flat in 2014 due to higher than average precipitation and water conservation efforts. The Proposed Budget includes a rate increase of 10% beginning in July of next year.

Other City revenues are expected to stay relatively flat when compared to 2014 year-end forecasts.

Expenditures

Several significant capital projects are planned for 2015, which include: East 112th Avenue Expansion; the citywide Residential Street Program; Garland Street Reconstruction; Wastewater Treatment plant

headworks and clarifier improvements; and renovations to the Recreation Center Locker Rooms. Proposed spending on Capital Improvements is \$18.2 million.

The personnel budget is expecting a 4% increase. Merit increases of up to 3% have been proposed, along with market adjustments where needed. Police Officers will receive a step increase based on length of service. The Proposed Budget also includes an additional 6.8 positions. They include: Planner, Administrative Specialist, Police Records Specialist, Engineering Manager, Chief Plant Operator, and a Lab Analyst. There are also several positions at the Recreation Center that will have increased hours in 2015.

Purchased, or contracted, services, will increase by 21% over the prior year budget. This increase is based on 2014 Strategic Plan initiatives being carried out in 2015. These include a Zoning Code update, 112th Station Area Master Plan, Pedestrian Bike & Trail Connectivity Plan, and a Marketing Plan.

City expenditures for general supplies and materials, fuel, and utility costs are budgeted to increase at 5% over the prior year.
