

**NORTHGLENN POLICE DEPARTMENT  
COUNCIL MEMORANDUM #2014-06**

**TO:** Honorable Mayor Joyce Downing and City Council Members

**FROM:** John R. Pick, City Manager  
James S. May, Jr., Chief of Police 

**DATE:** June 23, 2014

**SUBJECT: CB-1833-Request to Change Municipal Ordinance to include Electric Cigarettes and Nicotine**

**RECOMMENDATION:**

Staff recommends council approval for a change to the Northglenn Municipal Ordinance to include electric cigarettes in the definition of tobacco products as it relates to the sale of tobacco or Nicotine to juveniles or the unlawful possession or consumption of tobacco or nicotine products by juveniles.

At the June 16<sup>th</sup> study session council recommended adding nicotine to the title section of the ordinance and adding a defense to the violation, if the juvenile had a valid dispensed prescription for nicotine.

**BACKGROUND:**

An electronic cigarette (e-cig or e-cigarette), personal vaporizer (PV) or electronic nicotine delivery system (ENDS) is a battery-powered vaporizer which simulates tobacco smoking by producing an aerosol, commonly although incorrectly called vapor that resembles smoke. It generally uses a heating element known as an atomizer, that vaporizes a liquid solution known as e-liquid. E-liquids usually contain a mixture of propylene glycol, vegetable glycerin, and nicotine.

The Police Department has noticed an increase of juveniles in possession of these devices. Officer Berens who is a School Resource Officer at Northglenn Middle had an incident with a student smoking the e-cigarette at school and was going to charge him however, after reading the ordinance he felt our current municipal ordinance does not address the e-cigarettes and nicotine. Officer Berens brought this to my attention and I also felt it did not meet our current ordinance. Corey Hoffman Northglenn City Attorney was notified and asked to take a look at the ordinance, he agreed that it did not fit and prepared the attached changes to the Municipal Ordinance.

**BUDGET IMPLICATIONS:**

No budget implication
