FINANCE MEMORANDUM
#10-14

DATE: April 22, 2010

TO: Honorable Mayor Joyce Downing and City Council Members

FROM: Bill Simmons, City Manager *WAS*
Shawn Cordsen, Finance Director *SC*

SUBJECT: Capital Improvement Program (CIP) Carry Over CB-1718

BACKGROUND:

According to Section 5-8-11 of the City Code:

“After adoption of the budget, the City Council shall enact an ordinance appropriating funds for municipal operations for the ensuing fiscal year. Appropriations shall lapse at fiscal year end for all funds except for funds appropriated pursuant to the capital projects program created by section 8.5 of the City Charter. Appropriation for projects identified in the capital projects program shall continue, and be carried forward to succeeding years, until the project is completed.”

UPDATE:

Staff has attached an ordinance for consideration by the Council, which would amend the 2010 budget to account for the proposed carry over amounts associated with the Capital Improvement Program. Proposed carry over amounts were developed for those projects which were budgeted for, but not completed in 2009. Furthermore, adjustments have been made to align the estimated carry over amounts which were originally included in the 2010 budget to that which actually remained unspent as of December 31, 2009.
