

**CITY CLERK'S OFFICE MEMORANDUM
#10-01**

August 12, 2010

TO: Honorable Mayor Joyce Downing and City Council Members

FROM: Johanna Small, City Clerk 

SUBJECT: CR-114, November 2, 2010 Coordinated Election IGAs – Adams & Weld County

BACKGROUND:

A one-half percent (0.5%) sales tax on the sale of non-food and food items is set to expire on December 31, 2010, and there has been discussion about asking voters to extend the tax on one, or both types of sales, at the November 2, 2010 election.

Section 31-10-108 of the Municipal Election Code states that a special municipal election may be held at the same time and place as a state general election if it is conducted as a coordinated election; otherwise, a special municipal election held at the same time as a state general election must be conducted as a mail ballot election. Therefore, if City Council calls a special election to ask voters to extend the sales tax (or any other ballot question it so desires), two options exist for the conduct of the election: participating in the coordinated general election; or conducting a city mail ballot election.

If Council desires to participate in the Coordinated General Election with Adams and Weld Counties, the City must enter into intergovernmental agreements with the Counties for the conduct of the election. The City has chosen to participate in coordinated elections in the past several years primarily for voter convenience and increased voter turnout. Pros and cons for both options are listed below:

Pros – Participating in the Coordinated General Election

- Less voter confusion. Coordinated elections are convenient for voters and have increased voter turnout. Electors would vote one ballot, which would include all local, county, state and federal questions/candidates.
- The County has equipment capable of providing audio ballots to voters with disabilities.
- Coordinating an election with the Counties could be perceived as government cooperation and saving of taxpayer monies.

Cons – Participating in the Coordinated General Election

- The cost of the coordinated election could potentially be more than a City-conducted election depending on the number of political entities participating and other costs.
- The City does not have control over the ballot layout.

Pros – Conducting a City Mail Ballot Election

- Fewer election judges are needed to staff this type of election.
- Voter turnout is typically higher for mail ballot elections than stand-alone polling place elections.
- Electors would be able to review and vote their ballot in their home.

Cons – Conducting a City Mail Ballot Election

- Increased voter confusion. Voters would be voting two ballots – one City ballot by mail, and one State-wide ballot at the polling place or by mail, if requested.
- Mail ballot election costs can be significant due to postage, envelopes, and re-mailing.

The table below shows a history of coordinated election costs:

Date of Election	Type of Election Conducted	Estimated Cost	Actual Cost	TABOR
November 2009	Mail Ballot	\$36,424 (\$2.00 per voter + \$200) Based on 18,121 voters	\$14,536.84 ¹	Yes
November 2008	Polling Place – Vote Centers	\$37,109 (\$3.00 per voter + \$200) Based on 12,303 voters	\$61,335.83 ²	Yes
November 2007	Mail Ballot	\$15,200 (\$1.25 per voter + \$200)	\$20,467.57	Yes
November 2006	Polling Place – Vote Centers	\$13,881 (\$1.00 per voter + \$200)	\$16,871.68	No

¹ According to Adams County, the costs for the 2009 election were significantly less than expected due to the number and mix of participating entities. The actual cost to the City was \$0.70 per voter as opposed to the estimated \$2.00 per voter which was stated in the IGA.

² The County explained the higher cost of the 2008 General Election due to extraordinary interest in the election and costs that were difficult to forecast including: additional requirements to provide paper ballots and precinct reporting, a large number of new voter registrations and mail-in ballot requests, and the need for increased temporary employment to process requests.

One addition to the Adams County IGA from prior years is the provision that ballot drop off sites will be open to the public from 9:00 a.m. to 2:00 p.m. on the Saturday prior to the election (October 30, 2010). It is the intent of the Clerk's office to serve as a drop off site for the General Election. There is adequate staffing to provide this service, and no additional costs for personnel will be incurred.

BUDGET/TIME IMPLICATIONS:

The 2010 Budget includes \$40,000 for election expenses in Account 10.20.0000.61100. According to the Adams County IGA, the City must reimburse the County for its prorata share of the actual costs of the election including the costs associated with the mailing of the TABOR notice package, if applicable. The cost is shared with other entities that participate and is determined after the election. Adams County has estimated a cost of \$3.00 per voter for the coordinated election. The cost to participate in the Weld County coordinated election will be \$200.

The preliminary estimate for the cost of a coordinated election with Adams County and Weld County is \$50,075, which is based on the estimated cost of \$3.00 per voter and the number of eligible voters as of August 5, 2010. Adams County has reduced the number of vote centers from 48 to 32, which will have an impact on election costs, and there are currently 3 municipalities and 2 school districts who have indicated they will be participating in the election along with the County and State. The final cost will depend on the number of "active registered" and "inactive – failed to vote" voters, the number and mix of entities participating in the coordinated election, TABOR costs attributable to the City, and other costs incurred by the County.

If the City’s voter registration list contains the names of eligible voters not contained in the Clerk and Recorder’s list, the City shall prepare and certify a copy of its list to the Clerk and Recorder in a timely manner. In addition, upon request, the Clerk and Recorder shall compile a list of the names of

It is the City's responsibility to ensure that the information contained in the locator file is an accurate representation of the City's street indexes contained within the City's legal boundaries.** Consequently, as long as the Clerk and Recorder has been timely notified of the City's intent to participate in the Coordinated General Election, the Clerk and Recorder will provide to the City a street locator file by **July 2, 2010**. The file will contain a list of the street addresses the Clerk and Recorder's system currently shows as being located in the City. The designated election official for the City shall inspect the information contained in the locator file and shall notify the Clerk and Recorder's Office by **July 16, 2010** of any changes, additions or deletions that need to be made. If required, the Clerk and Recorder will make the required changes and resubmit the locator file to the City. The City will inspect the file and shall make a final certification as to the accuracy of the locator file by no later than **July 30, 2010**. If the locator information and/or certification are not provided by the City on the date specified herein, the City may not participate in the coordinated general election on **November 2, 2010**.

On Election Day the drop off site shall be open to the public from 7 a.m. until 7 p.m. and a representative of the City Clerk's office will be present and available at the drop off site until the ballot box is picked up by the Clerk and Recorder staff.

As a convenience to the voters and in order to offer services that are consistent with the services that were provided during the 2010 primary election, drop off sites will also be open to the public from 9 a.m. until 2 p.m. on Saturday, October 30, 2010. Staffing of the site on that day will either be by City or County employees or election judges, as to be determined between the Parties.

5. BALLOT CERTIFICATION AND PREPARATION.

The City shall provide to the Clerk and Recorder the City's ballot text by no later than **September 3, 2010 at 3:00 p.m.**, which is sixty (60) days prior to the election, pursuant to § 1-5-203(3)(a), C.R.S., as amended. Additionally, the ballot text shall be submitted by e-mail as an attachment that conforms to the following requirements, to Norma Burkhardt at nburkhardt@co.adams.co.us, with a hard copy delivered to the Election Department, 1865 W. 121st Avenue, Westminster, CO 80234. The ballot text **SHALL BE PROVIDED IN MICROSOFT WORD FORMAT, IN ARIAL TEN (10) POINT FONT, AND WITH NO EXTRAORDINARY FORMATTING OF ANY KIND** (including, but not limited to, no bullets, text boxes, charts, spread sheets, bolding, strike-outs, strike-throughs, quotation marks, or symbols).

All races must include the "term of office" and "vote for # " information.

Within one (1) business day of receiving a "proof-ready" copy of the ballot text from the Clerk and Recorder, the City shall proof and authorize the text and layout of its portion of the ballot prior to the printing of ballots. The City will be allowed to make corrections to the ballot proof copy only within the one (1) business day period, but, in any event, any changes or corrections to the text **must be received by the Clerk and Recorder's Office by no later than 1:00 p.m. on September 8, 2010.** After that, the ballots will be printed.

6. BALLOT INQUIRIES. All inquiries and applications received by the City regarding mail-in, early, provisional, and emergency voting shall be forwarded to the Clerk and Recorder.

Additionally, the City shall attend and observe any such testing or audit when requested by the Clerk and Recorder. **The City understands that election results will not be final and official until certified by the canvass board, which may be up to 18 days after election day.**

8. ELECTION DAY. On Election Day, the City shall provide election support by telephone and/or in-person from 7 a.m. until 7 p.m. or longer, as requested by the Clerk and Recorder.

ARTICLE III: TABOR

The City shall be solely responsible for its compliance with the requirements of TABOR, Colo. Const. art. X, § 20, for the purposes of the election, unless otherwise specified herein.

If the City is required to prepare a **TABOR notice for any ballot issue(s)**, the City shall be solely responsible for its preparation, accuracy, and the language contained therein, and shall submit such notice, including pro and con summaries and fiscal information, to the Clerk and Recorder by no later than **September 21, 2010 at 3:00p.m.**, which is forty-two (42) days prior to the election, pursuant to § 1-7-904, C.R.S., as amended. Such notice, including pro and con summaries and fiscal information, shall be submitted by e-mail as an attachment that conforms to the following requirements to Norma Burkhart at nburkhart@co.adams.co.us, with a hard copy mailed to the Election Department, 1865 W. 121st Avenue, Westminster, CO 80234. The notice **SHALL BE PROVIDED IN MICROSOFT WORD FORMAT, IN ARIAL TEN (10) POINT FONT, AND WITH NO EXTRAORDINARY FORMATTING OF ANY KIND** (including, but not limited to, no bullets, text boxes, charts, spread sheets, strike-outs, strike-throughs, bolding, or symbols). If the Clerk and Recorder is responsible for preparing a TABOR notice package, the Clerk and Recorder shall do so in compliance with the provisions of TABOR, Colo. Const. art. X, § 20, and any pertinent Rules.

Except as otherwise specified herein, the Clerk and Recorder shall in no manner be responsible for the City's compliance with the requirements of TABOR, nor shall the Clerk and Recorder in any manner be responsible for the language contained in the TABOR notice(s) prepared by the City. The City shall be solely responsible for calculating and providing to the Clerk and Recorder any fiscal information necessary to comply with TABOR, Colo. Const. art. X, § 20(3)(b), and the Clerk and Recorder shall in no way be responsible for the accuracy of the fiscal information, which shall be placed on the ballot issue notice as provided by the City.

ARTICLE IV: COSTS

The City shall reimburse the County for its prorata share of the actual costs of the coordinated general election, as permitted under § 1-7-116(2)(b), C.R.S., as amended, including the costs associated with the mailing of the TABOR notice package (if applicable). Such proration shall be made based upon a formula of "accumulated active"

and "inactive, failed to vote" voters within each entity participating in the coordinated general election. The prorated actual costs shall include those expenses permitted by state law including, but not limited to, the costs of temporary labor, part-time labor, overtime, postage, equipment delivery, extraordinary equipment rental, printing, legal publications, mailings, materials, vote center costs if applicable, election worker expenses, and other costs. Actual costs may include charges for extraordinary ballot question length if said length results in increased printing costs. For the 2010 coordinated general election it is estimated that costs to the City will be approximately \$3.00 per "active registered" and "inactive, failed to vote" voter within the City. **This is an estimate only.** There may be additional factors, for example anticipated voter turn out, that may affect this cost estimate. TABOR notice costs will be additional and will be billed for printing based on the number of pages consumed by the City. TABOR mailing costs will be based on the number of "active registered" and "inactive, failed to vote" voter households in the City. The County shall submit to the City an itemized invoice for all expenses incurred under this Agreement, and the City shall remit to the County the total payment within thirty (30) days of the receipt of such invoice. If the invoice is not paid in full within thirty (30) days, the balance due may be subject to a ten percent (10%) per annum interest rate from the date due until paid in full.

ARTICLE V: CANCELLATION OF THE ELECTION

In the event the election is canceled prior to **November 2, 2010**, notice of such cancellation shall be provided by the City to the Clerk and Recorder. The City shall reimburse the County for the actual expenses incurred in preparing for the election, and those expenses shall be paid by the City to the County within thirty (30) days of the receipt of an invoice therefor. If cancellation occurs after the certification deadline, full election costs may be incurred. If the actual expenses are not paid in full within thirty (30) days, the balance due may be subject to a ten percent (10%) per annum interest rate from the date due until paid in full.

ARTICLE VI: DAMAGES

Subject to the provisions of the Colorado Governmental Immunity Act, each party assumes liability for losses, costs, demands or actions arising out of or related to any actions, errors or omissions of its officers, employees, or agents in fulfilling its responsibilities for the election or under this Agreement. Nothing contained in this Agreement shall constitute any waiver by either party of the provisions of the Colorado Governmental Immunity Act or any other immunity or defense provided by statute or common law.

ARTICLE VII: CONDUCT OF THE ELECTION

It is the intent of the parties that the County shall conduct the coordinated general election and the City shall timely supply the Clerk and Recorder with all information needed by the County for that part of the election that is related to the City.
