Subject: Application for Board or Commission

Board or Commission: planning
First name: Nathan
Middle name:
Last name: Purk

Skills or education:
Business Experiance:
CO-Small business owner Black Opal Photography from 2000-2002.
15 years experience in multiple manufacturing and construction industries.
I have 8 years of Managment, Project Management,and root cause analysis
experience.

Education:
Studies in Political Science, Economics, American & Western History, Mechanical Engineering, and
Biology.
Currently pursuing a BA in Occupational Health and Safety from Columbia Southern University.

Civic activities:

Meetings attended:
No

I have Attended Multiple Town Hall meetings with State elected Officials.

Plans/Ordinances:
I am currently familiarizing myself with the Planning Commissions charter and responsibilities.

Traits:
When dealing with problems I integrate a scientific approach by understanding the root cause of the
situation and develop solutions based on logic, and commonsense. I also look at problems from multiple
view points and try to develop a team based consensus on emergent solutions.

Interest:
I am interested in joining the Planning Commission to enhance my contribution to those in my community
and for the further development of my interests in local politics. I see this as an opportunity to grow within
the City of Northglenn and its political culture.

As a Native Coloradan I feel I can offer a diverse perspective to the future of Northglenn and contribute to
the outlook of its development. My wife and I have lived here for two years starting in April and plan on
raising our daughter here.
