

City Council Action Report

To: Mayor and City Council
From: Steve Zoet, Parks, Recreation and Cultural Services Director
Subject: 2006 Right Of Way (ROW) Maintenance Contract
Date: July 13, 2006
Strategic Council Goals: Goal #5 – Clean and Beautiful City, Goal #2 – Fiscally Responsible Government

Background:

- In 2004 the City of Northglenn released several Parks Maintenance and Operations personnel. To compensate for the loss of work force staff began to look at alternative ways to accomplish the same work load without hiring additional employees.
- It was determined that outsourcing some of the ROW mowing and perennial bed maintenance may be a good solution and alternative to hiring personnel.
- Staff reviewed all parks related maintenance practices and developed a plan that would allow for ROW mowing and some perennial bed maintenance to be accomplished by outside contract.
- The bid was advertised through all normal means and, although receiving several pre-bid inquiries, only one bidder, American Civil Constructors, submitted a conforming bid.
- Award of this contract will aid staff in their efforts to assure a Clean and Beautiful City while being Fiscally Responsible as established by Council goals.

Budget/Financial Considerations:

- All funds for award of this contract would come out of the 2006 Parks operating budget where sufficient funds have been appropriated.
- Staff requests that Council approve this contract and expenditure of funds not to exceed \$95,000.00.

Legal Considerations:

- Council is within its legal purview to approve this contract.

Policy Considerations:

- Approval of this contract will allow the city to cost-effectively maintain public grounds and ROW without increasing personnel.

Recommended Action:

- Authorize the Mayor to approve a contract with American Civil Constructors in an amount not to exceed \$95,000.00.

References: References were contacted and favorable reviews were provided by Jefferson County and the City of Lakewood and are attached for your review. Additionally, we have contracted the services of ACC the past two years for similarly related duties and have been pleased with their performance.

Mark,

Jefferson County has contracted the services of American Civil Constructors for mowing medians and road right-of-way the past two growing seasons. So far the experience has been positive: The crews do good work and the supervisors are responsive when we have a complaint or concern.

Let me know if you need anything else.

To Whom It May Concern:

The City of Lakewood Maintenance Division has used ACC since the early 90's for snow and ice control. In early 2000 we acquired their services in keeping the Cities gulches clear of tree debris.

ACC has always given us quality work at a reasonable cost and the work has always been completed in a timely matter.

You can rest assured that your project will receive this level of attention. If you need any further information please feel free to contact me.

Sincerely,

Ken Cornelius
