

City Council Action Report

To: Mayor and Council
Submitted by: Norm Bell, Maintenance & Operations Expediter
Date: October 18, 2006
Subject: Landfill Services - 2007
Strategic Council Goal(s): Nos. 2 & 5

Recommended Action and Major Considerations:

- Authorize the Interim City Manager to Issue a Purchase Order to Republic Services of Colorado in the amount of \$175,000 for Landfill Services for calendar year 2007.
- Adequate funding for these services is provided in the 2007 proposed Sanitation Fund budget.
- These services meet Council's objectives of Fiscally Responsible Government and a Clean and Beautiful City.

Background and Other Information:

- The City requested formal bids (2004 F/B-16) for Landfill Services. On October 27th, 2004, four companies submitted bids. Republic Services of Colorado was awarded the contract (SR 05-02).
- The City has used Republic Services Front Range Landfill in Erie throughout calendar years 2005 and 2006 and found their facility to be quite satisfactory.
- The original bid contained an optional clause allowing up to four additional one-year extensions. The first two extensions were without any increase in the unit price, subject to mutual agreement by the City and Republic Services.
- A contract renewal letter from Republic Services is attached to this Staff Report.
- The contract renewal letter indicates Republic's interest to furnish landfill services at the original contract price including two free landfill days for Northglenn residents throughout calendar year 2007.

Budget Information:

- The 2007 proposed Sanitation Fund budget includes sufficient funding for these services.
