

**PUBLIC WORKS DEPARTMENT
MEMORANDUM #2011 – 01**

DATE: January 13, 2011
TO: Honorable Mayor Joyce Downing and City Council Members
FROM: William A. Simmons, City Manager
David H. Willett, Director of Public Works
Norman Bell, Public Works Superintendent

SUBJECT: CR – 7, 2011 Street Sweeper Purchase

BACKGROUND

The Street Division of the Public Works Department operates two street sweepers. These units are an important part of our annual maintenance program and are necessary to meet Regional Air Quality Council clean air standards, stormwater regulations, and remove debris from our arterial and residential streets. One of the sweepers, unit 197 is now 14 years old and is experiencing a number of mechanical problems. The projected maintenance costs are estimated to exceed the value of the sweeper.

Faris Machinery of Commerce City has submitted a bid to the City based on a current City of Colorado Springs Award and Contract # R005071 in the amount of \$166,575.00. This bid is for a 2011 Elgin Pelican street sweeper with options as requested by the City of Northglenn. A copy of the bid is attached to this memorandum. Elgin Pelican sweepers have a proven track record of being dependable and perform well. The City has purchased equipment from Faris in the past and has found them to be a reputable dealer.

BUDGET/TIME IMPLICATIONS

The 2011 adopted Public Works/Street Division budget has allocated a total of \$314,000.00 for vehicle and equipment replacements. \$168,000.00 was estimated for the sweeper replacement.

RECOMMENDATION

Attached to this memorandum is a Consideration Resolution that, if approved, would allow the City Manger to issue a Purchase Order to Faris Machinery in the amount of \$166,575.00 for the purchase of a 2011 Elgin Pelican street sweeper. Staff recommends approval of this resolution.
