

CITY MANAGER'S OFFICE MEMORANDUM
#13-2019

DATE: February 25, 2019

TO: Honorable Mayor Carol Dodge and City Council Members

FROM: Heather Geyer, City Manager 

SUBJECT: 50th Anniversary Resident Recognition Program

PURPOSE

To propose a 50th Anniversary Resident Recognition Program and seek City Council feedback.

BACKGROUND

Each and every year Northglenn residents do great things to improve our community. These are individuals who go above and beyond in shaping our community. Staff would like to find and share their stories. Therefore, a 50th Anniversary Resident Recognition Program has been created.

For the remainder of 2019, staff would like to send out a "call for submissions" in Attachment 1. The program will recognize resident contributions to our community. Resident recognition would occur at City council meetings through the end of the year. All submissions will receive acknowledgement. Former residents living and those who have passed are eligible to be nominated. The proposed criteria for nominations includes:

- Has made significant contributions to improve the quality of life of others;
- Improved and/or positively affected the lives and living conditions of individuals in our community and/or;
- Gone above and beyond to make a difference in their community and inspire others to give back.

Communications staff will promote the program through the City's website, Northglenn Connection, press release and social media outlets (Facebook, Instagram, and Twitter). Each resident that is recognized will be promoted through the City's communication channels listed above.

STAFF RECOMMENDATION

Staff recommends Council support for the Resident Recognition Program as part of the 50th Anniversary Celebration.

BUDGET/TIME IMPLICATIONS

There are no budget implications. Upon council approval, staff can begin promoting the program immediately.
