

**NORTHGLENN POLICE DEPARTMENT MEMORANDUM**  
**#16-2019**

**DATE:** October 28, 2019

**TO:** Honorable Mayor Antonio B. Esquibel and City Council Members

**THROUGH:** Heather Geyer, City Manager *hmg*

**FROM:** James S. May, Jr., Chief of Police *JSM/2.17*  
Mike Prange, Patrol Commander

**SUBJECT:** CB-1938 – Fireworks Ordinance

---

**PURPOSE**

CB-1938, if adopted, will authorize City officials to consider an amendment to Chapter 9 of the Northglenn Municipal Code concerning fireworks enforcement to provide the Northglenn Police Department with a localized and targeted option to effectively enforce violations for the sale, possession, and use of fireworks within the City of Northglenn.

**BACKGROUND**

Northglenn's current enforcement efforts are governed by the International Fire Code which prohibits all use of fireworks. State statute allows limited use but is typically restricted to fountains, ground spinners, and sparklers.

Establishing probable cause to charge violators under the International Fire Code is often problematic. The most seamless way to charge a violator is for an officer to witness the violation, however, this seldom occurs when an officer is present. Other more challenging ways to charge violators are to endorse a witness of the violation or obtain a statement (confession) from the suspect who used the fireworks.

In 2019, the Police Department received and responded to hundreds of service calls of firework complaints. The majority of these calls were received during June and July. Although officers did witness some violations, it was limited. Of the calls received, most of the reporting parties (residents) did not want contact with officers. Many of our reporting parties did not wish to be endorsed as witnesses against their neighbors.

Although the International Fire Code charging options are available and have been used by the Department in the past, they have also proven not to be the most effective way to control the use of illegal fireworks in the City.

At a study session on September 30, 2019, a draft ordinance was presented to Council, which provides for more applicable and targeted enforcement as a local means to control illegal fireworks. The proposed ordinance addresses possession, intent to sell, and the use of illegal fireworks within the City. Additionally, the ordinance makes the homeowner responsible for any illegal fireworks used from their property. Lastly, the ordinance includes mandatory minimum penalties. Any person who pleads guilty or is found guilty shall be subject to the following penalties:

1. A mandatory minimum fine of \$1,000 for a first violation;
2. A mandatory minimum fine of \$1,500 for a second violation within a two-year period;  
and
3. A mandatory minimum fine of \$2,000 for a third violation within a two-year period.

The level of probable cause to charge violators is less challenging as the ordinance allows officers to cite homeowners and individuals in possession of fireworks.

#### **UPDATE**

On October 14, 2019, City Council approved CB-1938 on first reading and set a public hearing on the proposed ordinance for October 28, 2019. If the ordinance is adopted on second reading, it will become effective November 12, 2019.

#### **STAFF RECOMMENDATION**

Attached to this memorandum is a proposed ordinance, CB-1938, which is being presented for public hearing and second reading. Staff recommends approval of CB-1938.

#### **BUDGET/TIME IMPLICATIONS**

The City's Director of Communications, Diana Wilson, will prepare a communications plan/strategy for the new ordinance, once adopted, and a plan to outline steps the City will take throughout the year and over the 4th of July holiday.
