Can You Commit to Attending Meetings at 7 p.m. on the first and third Tuesday of each month?:

Yes

Why Do You Want to Be a Member of the Board of Directors of the Northglenn Youth Commission?:

I want to be a member because I want to take part in my cities government. It also gives me a safe space to learn and practice politics for the future. Being on the committee also means I can help better my city for the future.

How Does City Government Affect Your Life?:

My city effects my life because they plane events I like to go to: food truck carnival, National Night out, etc. They make

decisions on things that will happen around me. Such as the opening of the new Save A lot on 104th.

What Other Organizations, Clubs or Teams You Are Currently A Member Of?:

I am a member of Student Council, Choir, Chess club, and men's volley ball once the season starts.

What Do You Want to Accomplish for Youth in the City of Northglenn?:

I want to accomplish for the city of Northglenn a project that helps toward some of the people that either don't have or can't afford a computer. I would like to accomplish something that in 20 years I can say I put in effort toward making. That helped make the community better.

What Impact Do You Think That Youth of Your Age Can Have in Our City?:

I think that we can have a big impact in our community. The more we go to school and get good grades the better our community is. But I think it's about more than just going to school, it's about setting the right example for others to follow.
