(b) In the event that there have been no violations of this Article during the preceding year, and if there is no other derogatory information regarding the licensee, its partners, officers, directors, managers, or shareholders, then the City Clerk may grant the renewal of a Retail Tobacco Business License, transfer of ownership, change of corporate status, a request for modification of the licensed premises that does not include an expansion of the licensed premises, or manager registration on behalf of the licensing authority. If, however, the City Clerk's investigation discloses any proved or alleged violations of the provisions of this Article or derogatory information as described above, the Clerk shall schedule action on the application before the local licensing authority.
