

LOGISTICS MEMORANDUM

#07-02

May 24, 2007

TO: Honorable Mayor Kathleen M. Novak and City Council Members

FROM: A.J. Krieger, City Manager 
Kurt Kowar, Logistics Center Manager 
Heath Klein, Civil Engineer I 

SUBJECT: CR-43 - West 112th Ave. Design – Additional Services

RECOMMENDATION:

Attached to this memorandum is a Resolution which, if approved, would provide payment for the requested additional services for the West 112th Ave. Design. This is for costs that were incurred by a request for the design of an additional southbound turn lane for east bound traffic turning onto Huron St. City staff recommends approval of this Resolution.

BACKGROUND:

The final design has been provided to both the City of Northglenn and the City of Westminster and has been accepted by both cities.

During the West 112th Ave. Design, both the City of Northglenn and the City of Westminster identified the need to add an east bound W. 112th Ave. turn lane onto south bound Huron St. JR Engineering designed this turn lane upon the request from both cities. The total cost of this request was \$12,000. The City of Westminster has already agreed to pay half in the amount of \$6,000 of the additional services provided by JR Engineering.

This will finalize and closeout the design phase of this project.

POTENTIAL OBJECTION:

City Staff is not aware of any specific opposition to this proposed payment.

BUDGET/TIME IMPLICATIONS:

There are no time implications. There are sufficient funds in the 2007 Residential Street Overlay Project budget, Account # 410.69211.000.3999.103 for the proposed additional services.

RE: West 112th Avenue Design

Dear Mr. Fitzmorris,

The City of Northglenn has accepted the final design documents for the Design of 112th Avenue between Alcott Street and Huron Street submitted March 2, 2007.

This letter is also to inform JR Engineering that the City of Northglenn has accepted the request for compensation for additional services for the design of an additional southbound turn lane for east bound traffic turning onto Huron Street. The City of Northglenn is agreeing to pay \$6,000, half of the requested amount with the understanding that the City of Westminster is paying the other half.

This acceptance letter and upon JR Engineering's receipt of the \$6,000, will finalize and closeout the design phase of this project.

Should you have any questions related to the above, please feel free to contact me.

Thank you,

City of Northglenn
