

FINANCE MEMORANDUM
#07-02

April 16, 2007

TO: Honorable Mayor Kathleen M. Novak and City Council Members

FROM: A.J. Krieger, City Manager 
Brent Worthington, Finance Director 
Acqunetta Likkell, Accounting Manager 

SUBJECT: CB 1617, Carryover of Unexpended 2006 Budget

RECOMMENDATION:

Approve the attached ordinance amending the 2007 budget to increase total appropriations by \$965,391 for projects, equipment and services that were not completed, received or rendered by December 31, 2006.

BACKGROUND:

The proposed action is housekeeping in nature to roll funds from 2006 to 2007. Under Colorado Budget Law, appropriations lapse at the end of the fiscal year. Because of this, funds for operating projects and capital purchases that were in progress or were not received before the end of fiscal year 2006 must be re-appropriated. Staff recommends that council approve the attached ordinance which will increase the 2007 General Fund budget by \$79,220, the Water and Wastewater Fund budget by \$315,000, the Conservation Trust fund by \$284,641 and the CDBG fund by \$286,530, amounting to a total increase in 2007 appropriations of \$965,391. None of these funds were spent in 2006 and the increases will not reduce estimated beginning balances below what was projected in the 2007 budget.

Staff confirms that the Capital Projects set forth in the Carryover Request are viable projects which have either commenced or are scheduled to begin in 2007.

POTENTIAL OBJECTION:

City Staff is not aware of any specific opposition to the proposed Ordinance

BUDGET/TIME IMPLICATIONS:

Approving the attached supplemental appropriation will increase appropriations in the 2007 budget in the amount of \$965,391 using unspent funds originally appropriated in the 2006 budget. Finance Department Staff has verified that the 2006 budgets of the funds listed above include unspent appropriations in the amount of \$965,391 to cover the costs related to these appropriations.
