

## LOGISTICS MEMORANDUM

#07-06

May 24, 2007

**TO:** Honorable Mayor Kathleen M. Novak and City Council Members

**FROM:** A.J. Krieger, City Manager   
Kurt Kowar, Logistics Center Manager   
Heath Klein, Civil Engineer I 

**SUBJECT:** CB-1624 - Muriel Dr. Waterline Break Repaving Emergency Work

### RECOMMENDATION:

Attached to this memorandum is a Resolution which, if approved, would provide a supplemental appropriation of funds for the Muriel Dr. Waterline Break Repaving Emergency Work. This supplemental appropriation would provide funding to reimburse the contractor, Quality Paving Co., for work being performed. Staff recommends approval of this Resolution.

### BACKGROUND:

On March 8, 2007 the City discovered a waterline break at Muriel Drive and Larson Drive. Maintenance & Operation (M&O) field crews were able to isolate the break and repaired the waterline. The magnitude of sidewalk and roadway restoration was beyond the capabilities of M&O staff.

Quality Paving Co., the contractor awarded the 2006 Greenway Trail and Park Trail Replacement Program, was directed to complete this work based upon quoted prices and immediate availability.

The scope of work includes removal and replacement of the asphalt, curb and gutter, and sidewalk damaged by the waterline break.

### POTENTIAL OBJECTION:

City Staff is not aware of any specific opposition to this supplemental appropriation.

### BUDGET/TIME IMPLICATIONS:

There are no time implications. A supplemental appropriation from the Water and Wastewater fund in the amount of \$34,765.50 is requested for this project.
