

**CITY CLERK'S OFFICE MEMORANDUM
#2-2022**

DATE: Jan. 10, 2022
TO: Honorable Mayor Meredith Leighty and City Council Members
THROUGH: Heather Geyer, City Manager *hmg*
FROM: Johanna Small, City Clerk *JS*
SUBJECT: CB-1978 – Gender Neutral Municipal Code Revisions

PURPOSE

To consider CB-1978, an ordinance on first reading amending the Municipal Code to include gender-neutral pronouns and eliminate gender specific language.

BACKGROUND

Current social awareness of transgender and gender-nonconforming identities has brought to light the importance of non-binary gender inclusivity. The drafting of legislation and other documents is changing to reflect and support the legal status of transgender persons and non-binary genders. Jurisdictions across the country are making changes related to gender identity and recognize that a change in language is an important step to advance equality and improve inclusion.

Action Item 6.1 of the City's Strategic Plan is to promote diversity, inclusivity, and social equity within the City. Using gender-neutral language promotes inclusivity and aligns with Strategic Priority Area #6 to maintain and celebrate our diverse community.

The Municipal Code was originally written to include masculine pronouns. Staff believes it is both timely and necessary to make the environment of City Hall and the language of City legislation consistent with the principles of inclusion. Removing outdated, gender-specific language is important so that the Code does not reinforce stereotypes and gender bias. Gender-neutral language seeks to eliminate bias and treat all those affected by laws and other government actions equally.

The City Attorney has drafted CB-1978 to degenderize various sections in the City's Municipal Code. The table below contains examples of the gender-neutral language in the proposed ordinance.

Current word(s):	Replace with:
Chairman	Chairperson
Councilman's Bill	Council Member's Bill
Councilmen	Council members
Firemen	Fire personnel
He	The City Manager, the Director, the Mayor, the individual member of Council, the Animal Control Officer, the applicant, the taxpayer, etc.
His	Any person's, their

The proposed Code revisions achieve gender neutrality and do not change the meaning or intent of the Code provisions. In many cases, the revised language includes more specific descriptors, such as the director, the applicant, the taxpayer, etc., which provides more clarity and is less ambiguous.

Language is an instrument that can be used as a tool to oppress, discriminate, and exclude, or it can equally well be used to advance equality. Amending the Municipal Code to include gender-neutral language supports City Council's value of inclusivity and advances gender equality at the local level.

BUDGET/TIME IMPLICATIONS

If CB-1978 is approved on first reading, a public hearing and second reading of the proposed ordinance will be scheduled for the Jan. 24, 2022 regular City Council meeting.

RECOMMENDATION

Staff recommends approval of CB-1978 on first reading.
