

**PUBLIC WORKS MEMORANDUM
#2-2022**

DATE: Jan. 10, 2022
TO: Honorable Mayor Meredith Leighty and City Council Members
THROUGH: Heather Geyer, City Manager *Hmg*
FROM: Kent Kisselman, PE – Director of Public Works *KHK*
SUBJECT: CR-5 – Standley Lake Pipeline Joint Operating Committee Escrow Account Contribution

PURPOSE

To consider CR-5, a resolution authorizing the transfer of funds to the Standley Lake Pipeline Joint Operating Committee (SLPJOC) escrow account for maintenance programming of the pipeline.

BACKGROUND

The Standley Lake Pipeline conveys raw water from Standley Lake to the City of Northglenn and the City of Thornton. It is jointly operated by the cities of Northglenn and Thornton through the SLPJOC. The requested contribution, if approved, would allocate funding for the annual Capital Improvement Project (CIP) program. The SLPJOC Agreement states that all costs to maintain the pipeline shall be shared equally between the cities.

The annual CIP program consists primarily of maintenance projects that include the following: design/engineering services, ordering/installing pipeline parts and fittings, maintaining cathodic protection, and other minor repairs.

The proposed Escrow contribution is part of Northglenn’s commitment in this longstanding partnership. Staff is requesting \$150,000 again this year.

In 2021, approximately \$600,000 was spent to do a complete survey of the condition of the pipeline, and in 2022, about \$120,000 will be used to finish the survey.

As of early January 2022, there is roughly \$120,000 in the account, but that does not include the projected \$300,000 combined deposit from the two cities.

BUDGET/TIME IMPLICATIONS

	Amount
2022 Budget Appropriation (Water Fund)	\$150,000
2022 Northglenn's SLPJOC Escrow Account Contribution	(\$150,000)
Account Balance	\$0

STAFF RECOMMENDATION

Attached to this memorandum is CR-5, a resolution that, if approved, would authorize the transfer of \$150,000 from the Water Fund to the Standley Lake Pipeline Joint Operating Escrow Account.
