CITY CLERK'S OFFICE MEMORANDUM #9-2022

DATE: May 16, 2022

TO: Honorable Mayor Meredith Leighty and City Council Members

Heather Geyer, City Manager THROUGH:

FROM:

City Council Committee, Liaison and Ex-Officio Positions SUBJECT:

PURPOSE

To discuss City Council committee, liaison, and ex-officio positions and current vacancies on the Adams County Council of Governments (ADCOG) Subregional Transportation Forum, Denver Regional Council of Governments (DRCOG), and North Area Transportation Alliance (NATA) created by the resignation of former Council member Duran Mullica.

BACKGROUND

Following every general municipal election, Council members are appointed to serve as members, representatives, liaisons, or ex-officio members on various boards and commissions, regional organizations, and Council committees. Council appointments are two-year assignments, and the time commitment and level of participation varies by position. Assignments are based on individual Council member interest and time availability.

These positions support Section 1.1 of the Strategic Plan – Position the City to be competitive and leverage relationships through regional collaboration and advocacy. The Plan states that Council will be active in regional liaison roles to build partnerships and advocate on behalf of the City, including participation on: NATA, DRCOG, ADCOG, North Metro Fire Rescue District, Anythink Libraries, Colorado Communities for Climate Action, Adams County Regional Economic Partnership, and Colorado Municipal League (CML).

Council Committee Members

There are three City Council committees: Finance Committee, Legislative Policy Committee, and Outside Agency Funding Committee. Each committee's membership and functions are established by resolution.

Representatives on Member Organizations

Council members are appointed to serve as representatives or alternate representatives to organizations such as the CML Policy Committee, the DRCOG, and Rocky Flats Stewardship Council. The City's membership provides the opportunity for representation on the boards and representatives are voting members of the respective groups. The appointments allow for City Council to be informed on regional efforts and ensure the City's interests are represented.

Ex-Officio Members on City Boards & Commissions

"Ex-officio" is a Latin phrase that translates as "from the office." Council members are appointed as ex-officio members to several of the City's boards and commissions by virtue of their position on City Council. Ex-officio members are non-voting members and not all boards require ex-officio membership. The appointments allow for open and time-sensitive communication between City Council and the respective boards through the ex-officio members.

City Council Committee, Liaison and Ex-Officio Positions May 16, 2022 Page 2 of 3

Liaisons to External Organizations

Council members are appointed to serve as liaisons to external organizations such as the Adams 12 Five Star School Board, North Metro Fire Rescue District Board, and Northglenn Arts & Humanities Foundation. Liaison positions were first appointed in 2006 in response to the North Metro Fire Rescue District requesting the municipalities they serve to appoint a liaison to their Board. Liaison positions are not required, and Council liaisons attend the external meetings as non-voting guests. Liaison positions allow for City Council to remain informed on local and regional efforts and provide opportunities to strengthen the City's relationships and communication with organizations serving the community.

^{*} NURA membership is governed by State statute; Council member is a full voting member.

The Victim Assistance and Law Enforcement (VALE) Board is not listed in the table above because appointments to this Board are not considered with the Council committee, liaison, and ex-officio positions. The VALE Board's structure allows up to two members of City Council to serve as regular members of the Board. Currently, Council member Witkovich serves on the VALE Board. This is an additional time commitment for Council members, and individuals may continue to hold their position on the Board after their term on Council expires.

A detailed list of City Council committee, liaison, and ex-officio assignments is included as Attachment 1. The document provides additional information about the purpose of the organizations, positions, meeting times, and staff liaisons.

BUDGET/TIME IMPLICATIONS

There are no budget impacts.

Vacant representative positions on the ADCOG Subregional Transportation Forum, DRCOG, and NATA should be filled as soon as possible to ensure consistent representation and continued engagement.

RECOMMENDATION

Staff recommends City Council provide direction to staff regarding appointments to fill the vacant positions.

STAFF REFERENCE

If Council members have any questions, please contact Johanna Small, City Clerk, at jsmall@northglenn.org or 303.450.8757.
