

**CITY CLERK'S OFFICE MEMORANDUM
#11-2022**

DATE: Nov. 28, 2022

TO: Honorable Mayor Meredith Leighty and City Council Members

THROUGH: Heather Geyer, City Manager *hmg*

FROM: Johanna Small, City Clerk *JS*
Lisa Andrews, Sr. Deputy City Clerk – Licensing Administrator

SUBJECT: CB-1997 – Manager Registration for Liquor Licensed Establishments

PURPOSE

To consider CB-1997, an ordinance on second reading amending Section 18-2-3 of the Municipal Code regarding manager registration for liquor licensed establishments.

BACKGROUND

During the 2022 Legislative Session, the Colorado General Assembly passed House Bill 22-1415 (“HB-1415”) related to managers of liquor licensed establishments. HB-1415 affects how a change in managers of businesses holding a liquor license is registered or reported to the local and State licensing authorities, removes the ability of the local and State licensing authorities to deny a manager registration based upon the character, record, and reputation of the proposed manager, allows licensees holding multiple liquor licenses to appoint one manager to oversee multiple establishments, and reduces the fees related to manager changes.

City Attorney Corey Hoffmann previously distributed a legal memorandum to City Council regarding the impact of HB-1415. A copy of the legal memo is being provided separately for Council’s reference.

The following table provides a summary of the rules:

	Previous Rule	New Rule
Registration vs. Reporting	Licensees required to register new manager with local and State authorities within 30 days of the change	Licensees required to report new manager to local and State authorities within 30 days of the change
Penalty	Potential license suspension for failure to register manager change	No penalty for failure to report manager change
Authority Review	Proposed manager subject to background investigation, including fingerprinting for criminal history review. Authorities could deny a registration based upon the individual’s character, record, and reputation.	No authority review; manager change is administratively accepted if filing is complete and fees are paid.
Multiple Premises	A separate and distinct manager required for each establishment	One manager may manage multiple establishments.
Fees	\$75	\$30

While State regulations regarding manager reporting are limited to liquor licenses for on-premises consumption, local regulations are proposed to require manager change reporting for all liquor licensed establishments. This would allow City staff to have current point-of-contact information for all liquor licenses.

The passage of HB-1415 requires an amendment to Section 18-2-3 of the Municipal Code to maintain compliance with the Colorado Liquor Code.

The draft ordinance was presented to the Liquor Licensing Authority at its Nov. 3, 2022 meeting. The authority approved Liquor Licensing Authority Resolution #22-03, recommending City Council adoption of the draft ordinance.

BUDGET/TIME IMPLICATIONS

The fees related to processing manager changes would be reduced from \$75 to \$30. Due to the elimination of authority review, staff time related to processing the changes would be reduced and the fee reduction is appropriate. Based on previous activity, staff anticipates approximately 11 manager change reports per year.

STAFF RECOMMENDATION

Staff recommends approval of CB-1997 on second reading.
