PURPOSE

To consider CR-9, a resolution approving a contract with Musco Sports Lighting, LLC in the amount of \$372,144.00 for replacement of the lighting at Jaycee Ballfield.

BACKGROUND

The lighting and electrical components at Jaycee Ballfield were installed in the 1970's. They are well past their useful life, and the park experiences regular outages. This project includes replacement of the electrical service, as well as replacement of all of the existing light poles, installation of LED fixtures, and a remote monitoring system. The upgraded lighting components are estimated to reduce light spillage and glare by 50% and reduce energy consumption by 40%.

The vendor, Musco Sports Lighting, was selected through a cooperative purchasing process with Sourcewell.

BUDGET/TIME IMPLICATIONS

Funding in the amount of \$390,000 is available for this project, including \$170,000 from an Adams County Open Space grant.

Total Available Funding	\$390,000
