

PUBLIC WORKS MEMORANDUM
#5-2023

DATE: Feb. 13, 2023

TO: Honorable Mayor Meredith Leighty and City Council Members

THROUGH: Heather Geyer, City Manager *hmg*

FROM: Kent Kisselman, PE – Director of Public Works *KK*

SUBJECT: CR-19 – Water Treatment Facility Fence Replacement

PURPOSE

To consider CR-19, a resolution approving a contract with Peak Fencing for the Water Treatment Facility Fence Replacement Project.

BACKGROUND

On Aug. 24, 2022, Northglenn employees discovered a breach of security in the Terminal Reservoir at the Water Treatment Facility. The exact location of the breach into the facility could not be identified. A recent assessment performed in accordance with the America's Water Infrastructure Act: Risk and Resilience Assessment recommended the existing 6-foot-high fence be replaced with an 8-foot-high fence with three strands of barbed wire and other accessories to enhance security at the facility.

At the request of City Council, an Invitation For Bid package for fence replacement at the facility was advertised. On Dec. 22, 2022, City staff opened bids from four contractors ranging from \$155,696 to \$289,920. Peak Fencing was selected as the lowest responsible bidder in the amount of \$155,696 with a bid alternate of \$38,832. Reference checks were conducted, and staff determined the project is well with the capabilities of Peak Fencing. The total contract amount of \$194,528 includes the base bid plus bid alternate.

BUDGET/TIME IMPLICATIONS

There is no budget for this project currently. Staff recommends a supplemental appropriation to add funding for this project to the Water Fund.

If CR-19 is approved, the selected fencing contractor would be able to start work on Feb. 27, 2023. The contractor has 60 calendar days to complete the work after staff issues the Notice to Proceed.

STAFF RECOMMENDATION

Staff advises the addition of a 5% contingency. Attached is CR-19, a resolution that, if approved, would authorize the Mayor to execute a contract between the City and Peak Fencing for the Water Treatment Facility Fence Replacement Project in an amount not to exceed \$194,528 and authorizes the City Manager, on behalf of the City, to approve minor changes in the scope of services and execute relevant change orders up to the approved expenditure limit of \$204,254.40. Staff recommends approval of CR-19.
