Meetings attended:

My first city board meeting was last night (3/10/2017), the Parks and Recreation Advisory Board. I did attend the Northglenn Ward II Neighborhood meeting on March 16th, 2016.

As mentioned above:

Past President of the Colorado CTE Advisory Committee for RRCC
Current Advisory Committee member for Warren Tech High School
Current Vice President of the American Society for Media Photographer, Colorado chapter

Plans/Ordinances:

I am only vaguely familiar with the master plan and ordinances of Northglenn.

Traits:

As Past President of Red Rocks Community College MGD Advisory Committee, educator, and business owner I have learned how to manage teams of people. An important characteristic I have in problem resolution is confidence but also the ability to be openminded and the willingness to see another point of view.

Interest:

As a resident of Northglenn for about 7 years I spend a considerable amount of time in the Northglenn parks and trails with my children and when I run. My children have been going to the Northglenn Recreation Center since they were toddlers and currently my middle child has been a Northglenn

Snapper for about 2 years.

I have been photographing for the City of Northglenn for the past several years and I love the commitment the city has to improving, growing, and striving to become better.

Lastly, since I live in the City of Northglenn I feel that it is my duty to participate in the community and other peoples lives. For several years I have wanted to participate in government and help create change and growth.

Relatives:

I am not related to an employee, appointee or elected official.

Able to attend meetings (or number likely missed):

Yes
