

**PUBLIC WORKS DEPARTMENT
MEMORANDUM #2017 – 05**

DATE: February 27, 2017

TO: Honorable Mayor Joyce Downing and City Council Members

FROM: James A. Hayes, AICP, City Manager 
David H. Willett, Director of Public Works 

SUBJECT: **CB – 1882**
Amendment to the Trash Collection Ordinance

PURPOSE

The City Council will be considered an amendment to the Trash Collection Ordinance to reflect changes approved by CR-123 regarding the elimination of pick-up of Appliances containing freon.

BACKGROUND

Approved CR-123 struck the language APPLIANCES CONTAINING FREON (each appliance). This language is under Section 16-7-20 TRASH COLLECTION FEES AND CHARGES.

- The first change is to **Section 16-7-4** which eliminates the phrase APPLIANCES WITH SEVERED REFRIGERATION LINES OR COOLANT SYSTEMS UNLESS THE OWNER AGREES TO SIGN AN INDEMNIFICATION STATEMENT PROVIDED BY THE CITY and is replaced by the phrase APPLIANCES OPERATED WITH COMPRESSED GAS. This change allows for the elimination from pick up by the City's Sanitation Department, all appliances that contain or once contained compressed gas.
- The second change is to **Section 16-7-5(a) (3)** to remove the phrase REFRIGERATORS, FREEZERS, AIR CONDITIONERS.

BUDGET IMPLICATIONS

The changes will result in a reduction of labor charges resulting from not handling freon appliances.

SCHEDULE/TIME IMPLICATION

Changes in effect beginning January 1, 2017
