

**NORTHGLENN POLICE DEPARTMENT  
COUNCIL MEMORANDUM #2017 - 02**

DATE: February 27, 2017

TO: Honorable Mayor Joyce Downing and City Council Members

FROM: James A. Hayes, AICP, City Manager  
James S. May, Jr., Chief of Police 

SUBJECT: **Council Resolution #24  
2017 Police Department Replacement Radios**

---

**PURPOSE**

The purpose of the request is to request Council's authorization to purchase sixteen (16) Motorola radios.

**BACKGROUND**

The current radio systems being utilized by the Northglenn Police Department are in the process of being phased out. Support for the Model 5000 will end in 2017 and the support for Model 2500 will end in 2020. The lack of support will include parts and repair.

Beginning in 2020, a Federal mandate requires departments to move to narrow-band only radios. The mandate will necessitate the department to replace all of our radios. The cost of replacing all of the department's radios will be \$526,000.

Last year, we were able to purchase thirteen (13) Motorola radios. This year, due to the National Association of State Procurement Officers ValuePoint pricing, we are able to purchase sixteen (16) radios for the amount of \$55,261.27.

**BUDGET IMPLICATIONS**

The total amount approved in the 2017 Budget for the purchase of these radios is \$55,000. Funds to cover the expenses, as well as the additional \$261.27, are in the 2017 Police Department Patrol budget.

**CITY COUNCIL OPTIONS**

The Police Department would not have an adequate radio system as our support for Models 5000 and 2500 will expire in 2017 and 2020, respectively. The Federal mandate requires us to replace our radios to be compliant to narrow-band only radios by the year 2020.

**STAFF RECOMMENDATION**

Staff recommends Council to approve the purchase of sixteen (16) Motorola radios.
