

ADMINISTRATION MEMORANDUM

11-25

DATE: October 13, 2011

TO: Honorable Mayor Joyce Downing and City Council Members

FROM: William A. Simmons, City Manager 

SUBJECT: CR-96 – SafeBuilt Contract – Building Department Services

RECOMMENDATION

Staff recommends approval of the attached Resolution, which, if approved, would authorize the Mayor to execute a contract with SafeBuilt Colorado, Inc. to provide building permitting, plan review, and inspection services for the City of Northglenn.

BACKGROUND and RATIONALE

By Resolution No. 09-104, Series of 2009, the City Council approved an agreement for professional services with SafeBuilt Colorado, Inc. for a term of two years ending October 8, 2011. Council is requested to approve another professional services agreement with SafeBuilt Colorado, Inc. for a two year term ending October 8, 2013. With the exception of adding contractor licensing which SafeBuilt, Colorado, Inc. has been doing already, all other terms and conditions in the agreement remain the same.

Outsourcing the building permit, plan review and inspection review, the City has realized cost savings, economics of scale and access to a larger talent pool for inspection, permitting and plan review.

Additionally, there have been minimal customer service issues and those that have come to the attention of the City have been resolved by SafeBuilt promptly and professionally. The working relationship between City staff and SafeBuilt staff has been very good. Essentially the transition to this outsourcing service has been seamless to both the public and City staff.

BUDGET IMPLICATIONS

Under this agreement, the City would retain 100% of the revenues for right-of-way permits, 70% of the revenues for contractor registrations, and 25% of the revenues for building permits, electrical permits and plan review fees. In 2012 this agreement is forecasted to generate \$253,894 in revenues with expenditures of \$171,151, a positive benefit on the City's budget of \$82,743.
