HUMAN RESOURCES MEMORANDUM #4-2023

SUBJECT:	CR-109 – 2023 Pay Plan and Personnel Summary Amendments
FROM:	Tamara Dixon, Human Resources Director and Chief Diversity Officer
THROUGH:	Heather Geyer, City Manager
TO:	Honorable Mayor Meredith Leighty and City Council Members
DATE:	Aug. 14, 2023

PURPOSE

To consider CR-109, a resolution approving changes to the 2023 Pay Plan and Personnel Summary.

BACKGROUND

Public Works Department

The Engineering Division is requesting a reclassification of one Civil Engineer position to a Project Manager. In this demanding and competitive market, the division is hopeful to attract qualified candidates without the requirement to have a degree in Civil Engineering. Currently, the Engineering Division is down 3 full-time equivalents (FTEs). The new Project Manager - Public Works position would be added to the Pay Plan in Grade 190.

Additionally, a few years ago, a Municipal Services Worker in the Public Works Department was reclassified to a Heavy Equipment Operator. The City has been unable to successfully fill that position and the Department is requesting reclassification of the Heavy Equipment Operator back to a Municipal Services Worker III to fulfill the need in the Streets Division.

The Public Works Department is requesting the reclassification of the Master Electrician position to a Maintenance Technician III. The Department is not required to have a Master Electrician and has identified the need for a Maintenance Technician III in the Maintenance and Operations Division.

The reclassifications result in the following changes:

- Reallocation of 1 FTE from the Civil Engineer position to a new Project Manager Public Works position for a total of 1 FTE.
- Reallocation of 1 FTE from the Heavy Equipment Operator position to the Municipal Services Worker (MSW)/Streets position for a total of 9 FTE.
- Reallocation of 1 FTE from the Master Electrician position to the Maintenance Technician III position for a total of 4 FTE.

The proposed changes are reflected in the amended 2023 Personnel Summary and amended 2023 Pay Plan and do not result in an overall FTE increase.

BUDGET/TIME IMPLICATIONS

The proposed reclassifications create positive budget impacts through salary savings. The Project Manager position is in a lower pay grade than Civil Engineer, Municipal Services Worker III is in a lower pay grade than Heavy Equipment Operator, and Maintenance Technician III is in a lower pay grade than Master Electrician.
