DATE: Sept. 25, 2023

TO: Honorable Mayor Meredith Leighty and City Council Members

THROUGH: Heather Geyer, City Manager *hmg*
Jason Loveland, Interim Deputy City Manager *12*

FROM: Brook Svoboda, Director of Planning & Development *BS*

SUBJECT: CB-2012 – Alexan Northglenn Easement Vacation Request

PURPOSE

To consider CB-2012, an ordinance on first reading to approve the vacation of six easements (utility, water, and right-of-way) for the Alexan Northglenn site located at 505 Community Center Drive.

BACKGROUND

On March 21, 2023, the Planning Commission approved the Alexan Northglenn Major Site Plan, which proposed to develop 353 multifamily dwelling units on the 8.6-acre parcel located at 505 Community Center Drive (formerly Global Village Academy). As part of the redevelopment of the site, existing easements would be vacated and relocated to accommodate the new utility infrastructure associated with the development. The applicant and developer, Trammell Crow Residential, is requesting to vacate six easements on the property and relocate the newly-proposed utilities and easements based on the approved utility plan for the Alexan Northglenn Major Site Plan. The new utility easements would be recorded with Adams County via a separate document. The six easements are described below and in further detail in Attachment 1. Additionally, Attachment 2, Easement Release Exhibit, details all six of the easement locations on the property.

- Easement 1: Water and sewer line easement described in that certain quitclaim deed dated Oct. 10, 1969, and recorded in the official records in Book 1551, Page 461
- Easement 2: 10-foot utility easement shown on that certain plat of Huron Heights, Second Filing, dated Jan. 20, 1970, and recorded in the official records as Reception No. 883382
- Easement 3: Public right-of-way easement described in that certain deed dated Oct. 13, 1976, and recorded in the official records in Book 2103, Page 328
- Easement 4: Utility easement shown on that certain Replat of Blocks 2 & 3, Huron Heights, Second Filing, recorded on Sept. 5, 1997, in the official records as Reception No. C0315115 (portion)
- Easement 5: 10-foot water easement as set forth in that certain easement dated June 8, 2000, and recorded in the official records in Book 6164, Page 140 (portion)
- Easement 6: Utility easement shown on that certain Replat of Blocks 2 & 3, Huron Heights, Second Filing, recorded on Sept. 5, 1997, in the Official Records as Reception No. C0315115 (portion)

Staff has reviewed the easements above and has determined that all the easements are not necessary to accommodate the new development.

BUDGET/TIME IMPLICATIONS

There is no financial impact to the City.

If CB-2012 is approved on first reading, a public hearing and second reading of the proposed ordinance would be scheduled for Oct. 9, 2023.

STAFF RECOMMENDATION

Staff recommends approval of CB-2012 on first reading.

VACATION OF R.O.W. AND EASEMENT Application Guide

OVERVIEW

A vacation of right-of-way or an easement may be requested by an adjacent property owner or property owner where the subject easement is located. The purpose of a vacation is for the City to divest its rights, interest, or title to a specific right-of-way or easement. The City will review a vacation request but, at its discretion, may or may not approve the request. A complete description of the procedures for a Vacation of Right-of-Way or Easement can be found in Section 11-6-6(d) of the Unified Development Ordinance (UDO).

SUBMITTAL REQUIREMENTS

The following application package must be submitted to the Planning and Development Department to commence review. Submittals should be electronic, or one (1) paper copy will also be accepted. Any missing information may cause the application to be incomplete and, therefore, rejected.

- Completed Application Form.**
- Application Fee** of \$250.
- Proof of Ownership**
- Survey and Metes and Bounds Legal Description** of the proposed vacation request.
- Project Description/Justification Letter** that summarizes the rezoning request and includes written justification in response to the required criteria detailed below.
- Additional Information**, as may be required by the Planning staff or if applicable to the proposed site plan request. Refer to your Pre-Application Meeting notes for guidance.

PROCESS

- Prior to submittal of a Vacation application, you are required to schedule a Pre-Application Meeting in accordance with Section 11-6-6(d) of the UDO. Contact the Planning and Development Department at 303-450-8739 to schedule a Pre-Application Meeting.
- Applications can be submitted electronically to development@northglenn.org or directly to Planning and Development Department staff at City Hall (11701 Community Center Drive).
- Upon receipt of an application, the Planning staff will review the application package for completeness. If the application is deemed complete, it will be referred out to the city's Development Review Committee, which consists of various city departments, including Planning, Building, Engineering, Public Works, City Attorney, North Metro Fire Rescue, and any other agency/department that might have an interest in the application.
- The Planning and Development Department will compile all comments from the various city departments and other agencies and provide a written review letter within 15 business days of submittal. If a resubmittal is required, it will be requested in the review letter. Any resubmittals will follow this same procedure.
- Once an application has completed the staff review, it can be scheduled for public hearing before the Planning Commission to provide recommendation to City Council for final approval.
- In order for a Vacation to be approved, it must meet the approval criteria outlined in Section 11-6-6(d)(3)(E)(ii) of the code, which is further described later in this guide.

Attendance is only required at the public hearing during 2nd reading. The exact date and time for your meeting will be coordinated with you upon receipt of a complete application and full staff review.
- The Planning and Development Department will notice all public hearings in accordance with code requirements, meaning that a sign will be posted on the property at least 15 days before the public hearing date. Please note that the public hearing sign shall remain on the property until after the public hearing date. If a replacement sign is required, please contact the Planning and Development Department.

CODE REQUIREMENTS

Section 11-6-6(d) of the Unified Development Ordinance (UDO) addresses the requirements for a Vacation application. Additionally, Rezoning applications shall be in compliance with all applicable development standards and zoning district regulations identified in the UDO. Please refer to the city's Municipal Code for a complete listing of all requirements outlined in the UDO.

Section 11-6-6(d)(3)(E)(ii). Vacation Approval Criteria
