**CFDA #14.218**

PARTIES TO THIS AGREEMENT: This Agreement, dated for reference purposes only this 1<sup>st</sup> day of June, 2015 is made and entered into by and between THE COUNTY OF ADAMS, STATE OF COLORADO, a body politic and corporate, (the "COUNTY") and City of Northglenn, (the "SUBGRANTEE"), and

WHEREAS, the Parties are desirous of entering into an Agreement to carry out a Community Development Block Grant (CDBG) activity.

NOW, THEREFORE, for and in consideration of the monies to be received, covenants and conditions set forth herein, and for other good and valuable consideration, the sufficiency of which is hereby acknowledged, the parties agree as follows:

1. SCOPE OF SERVICES: SUBGRANTEE shall expeditiously do, perform, and carry out, in a satisfactory and proper manner the "Scope of Services" as described and set forth in Exhibit 1 ("Scope of Services"), which performance shall not extend beyond the end of the Period of Completion, and shall provide the services and personnel, and furnish all related materials, equipment and supplies necessary to accomplish the Scope of Services in a manner satisfactory to the COUNTY and in accordance with the terms, conditions and other provisions of this Agreement. As a part of such performance, SUBGRANTEE shall substantially adhere to the "Scope of Services" attached hereto and incorporated herein as Exhibit 1.
  
2. PROJECT BUDGET:
  - a. The COUNTY shall provide an amount to the SUBGRANTEE not to exceed **\$264,987.00** as budgeted for the performance of this Agreement as set forth more specifically above in Paragraph 1.

This is a fixed cost agreement, and the amount set forth above shall cover all direct costs, services, materials, equipment, and supplies used or expended pursuant to this Agreement. CDBG funds may not be used for indirect costs.
  - b. Funds under this Agreement shall be spent as set forth in the "Project Budget" attached hereto as Exhibit 2 and incorporated herein by reference.
  - c. The SUBGRANTEE shall adhere to the Project Budget as set forth more specifically in subparagraph (b) above to the fullest practicable extent, but the SUBGRANTEE is not precluded from making minor changes within the Scope of Services and Project Budget as necessary, when preapproved by the COUNTY. Such minor changes, however, may only be approved by the COUNTY if the total amount to be paid does not change and does not exceed the total amount budgeted and provided the expenditure is eligible for reimbursement.

- d. SUBGRANTEE will not be reimbursed for costs incurred prior to the effective date of this Agreement and prior to receiving written confirmation from COUNTY that the necessary environmental reviews have been completed.
  - e. Environmental Review Procedures - Funds shall not be obligated or utilized for any activities requiring a release of funds by the COUNTY and United States Department of Housing and Urban Development ("HUD") under the Environmental Review Procedures for the CDBG program at 24 CFR Part 58 until such release is issued in writing by the COUNTY and HUD. For categorically excluded activities listed in 24 CFR Section 58.35(a), the COUNTY must make and document a determination that the activities are exempt because there are no circumstances which require compliance with any other Federal laws and authorities as cited at 24 CFR Section 58.5 prior to the SUBGRANTEE incurring costs for such activities. For projects not exempt under Section 58.34 or categorically excluded under Section 58.35, the COUNTY must prepare an Environmental Assessment and make a finding as described in 24 CFR Sections 58.36 through 58.45. The finding must be published and disseminated to the public by the COUNTY prior to the SUBGRANTEE incurring costs for such projects. No funds shall be distributed under this Agreement until a finding of no significant impact is established.
  - f. SUBGRANTEE agrees to utilize funds available under this Agreement to supplement rather than to replace funds otherwise available.
  - g. The term "program income" means any gross income received by the subrecipient that was directly generated from the use of CDBG funds (24 CFR 570.500(a)). Any program income which is received by the SUBGRANTEE shall be paid to the COUNTY by the SUBGRANTEE within 90 days after receipt of said income by the SUBGRANTEE.
3. PERIOD OF COMPLETION. The Period of Completion for the Project shall be the time period set forth on the Schedule of Completion of Services set forth on Exhibit 3 which is attached hereto and incorporated herein by reference (the "Period of Completion").
4. TERM OF AGREEMENT. The term of this Agreement shall be effective from the date of execution by the Board of County Commissioners and extend through the date of completion as set forth in the Schedule of Completion of Services, but for no less than a period of one year from the effective date of this Agreement. Work performed prior to the execution of this Agreement by the Board of County Commissioners shall not be considered part of this Project. The term of this Agreement and all provisions herein shall extend to and cover any additional time period during which the SUBGRANTEE remains in control of CDBG funds or other assets, including program income unless sooner terminated as provided in this Agreement. The term of this Agreement and all provisions herein shall also be extended until such time as any real property which is acquired or improved in whole or in part with CDBG funds has begun to meet a CDBG national objective unless sooner terminated as provided in this Agreement.

The COUNTY shall have the right to terminate this Agreement, and the SUBGRANTEE shall thereupon forfeit any unexpended funds if the SUBGRANTEE fails to substantially adhere to the Scope of Services and Schedule for Completion of Services set forth in Exhibits 1 and 3, unless it is determined by a court of competent jurisdiction that there were extenuating circumstances beyond the control of the SUBGRANTEE and the goals or purposes of the project can still reasonably be accomplished.

5. ACTIVITY RESPONSIBILITY AND REPRESENTATIVES AND NOTICE. All applicable invoices, statements, notices, inquiries, and replies shall be addressed and served upon the respective representatives at the addresses below. Any notice required hereunder shall be in writing and shall be effectively served upon personal delivery receipted for, or if mailed, upon the first to occur of receipt or the expiration of two (2) business days after deposit in first class certified U.S. mail, postage prepaid, return receipt requested sent to the party at the address appearing below. 6. METHOD OF PAYMENT.

- a. SUBGRANTEE shall request reimbursement either on the basis of a lump sum payment upon completion of the Scope of Services or on the basis of periodic payments during the course of the Scope of Services as the work progresses.
- b. Requests for periodic reimbursements shall be in a form acceptable to the COUNTY and shall be submitted to the COUNTY's representative for review and approval. Requests for periodic, partial reimbursements shall not be submitted more frequently than two times per month and shall be supported and documented on the basis of SUBGRANTEE costs actually incurred on the Scope of Services during the period for which reimbursement is requested.

- c. In no event shall the COUNTY be liable for or pay any extra costs, overruns or additional amounts in excess of the fixed costs; provided, however, that this provision shall not prevent the above-fixed cost from being increased or decreased by an amendment to this Agreement.
  - d. The COUNTY agrees to pay SUBGRANTEE the amount set forth above only from those funds paid to the COUNTY by HUD pursuant to the Funding Approval Agreement between the COUNTY and HUD for the applicable program year. The SUBGRANTEE shall be subject to the terms and conditions of said Agreement.
  - e. SUBGRANTEE covenants that all invoices and requests for reimbursements for compensation due under this Agreement shall be submitted no later than forty-five (45) days after the end of the Period of Completion, as amended, or after termination of this Agreement, whichever event occurs first. All invoices and requests for reimbursements shall be for performance of work within the Period of Completion, as amended or as thereafter amended. All work not conducted within the Period of Completion shall not be eligible for reimbursement under this Agreement. Any request made after the forty-five (45) days shall be considered untimely and may be denied, unless arrangements for additional days have been requested by the SUBGRANTEE and approved by the COUNTY in advance of the termination of this Agreement. Such approval by the COUNTY shall not be unreasonably withheld. SUBGRANTEE hereby waives all rights, interests or claims to any funds or compensation from the COUNTY for services rendered or costs incurred under this Agreement not invoiced or requested for reimbursement and made in writing to the COUNTY before the end of the 45-day period after the Period of Completion or termination, whichever event occurs first.
  - f. If the Project involves construction or rehabilitation, payment shall not be made to contractors until the SUBGRANTEE has approved the payment and a notice of contractor's settlement has been published in accordance with Section 38-26-107, C.R.S. The COUNTY will condition the award upon receipt of any duly executed approvals of the corporate surety or sureties issuing the bonds required hereunder. Such final settlement shall be advertised as provided by statute at least twice, the last publication appearing at least ten (10) days prior to the date of final settlement. On the date of final settlement (or such later date as may be permitted by statute if claims are asserted or litigation is commenced alleging nonpayment of funds due for labor, materials, supplies, etc.), payment and settlement shall be made in full (the "Final Acceptance").
7. HUD FUNDS. The payment to the SUBGRANTEE pursuant to this Agreement is contingent upon CDBG funds being paid to the COUNTY by HUD. If CDBG funds are not paid to the COUNTY by HUD, this Agreement shall terminate. The SUBGRANTEE agrees that it will include in every contract into which it enters and agrees to pay CDBG monies, that it relies on CDBG monies for funding. The SUBGRANTEE shall include in such contracts a clause that will protect itself and the COUNTY from any liability or

responsibility or any suit which might result from the discontinuance of CDBG funding for any reason.

8. INSURANCE.

- a. The SUBGRANTEE shall procure and maintain insurance of the types and amounts as set forth on Exhibit 4 which is attached hereto and incorporated herein by this reference. The County shall be an additional insured on all liability policies.

SUBGRANTEE shall furnish the COUNTY with copies of certificates of all required insurance and such policies shall contain a provision that the County shall be given thirty (30) days written notice of cancellation or material change of coverage. The County reserves the right to reject any insurer it deems not financially acceptable based on insurance industry resources. Property and Liability insurance companies shall be licensed to do business in Colorado and have an AM Best Rating of not less than B+ and/or VII.

- b. If the Project involves construction or rehabilitation, the SUBGRANTEE shall ensure that contractors furnish, at the contractors' expense, a separate performance bond and a labor and materials bond, each for an amount not less than 100% of the contract price. The bonds shall be issued by a qualified corporate surety licensed to transact business in Colorado. If at any time during performance of the Work the surety on the bonds shall be disqualified from doing business in Colorado, or shall become insolvent or otherwise impaired, contractors shall furnish bonds from an alternate surety acceptable to the County and the SUBGRANTEE. The bonds shall remain in effect until Final Acceptance including completion of all warranty and guaranty work and shall be delivered to the County prior to the commencement of the Work. The contractors shall secure an increase in the bonds in an amount equal to the cost of any additional work authorized pursuant to a duly executed change order or contract amendment. If applicable, the bonds shall be submitted to the County's Authorized Representative.
- c. If the Project involves construction or rehabilitation, the SUBGRANTEE must ensure that the contractors will guarantee the work against defects in workmanship and materials for a period of one (1) year commencing on the Final Acceptance as defined in the construction or rehabilitation contract (the "Guarantee Period"). Contractors shall also assign to the COUNTY and SUBGRANTEE any longer term guarantee of materials used by any contractors as may be provided by the manufacturer. The contractors shall promptly replace any materials or re-perform any portion of the Work found to be defective within the Guarantee Period in accordance with the contract and without expense to the COUNTY or SUBGRANTEE. If contractors fail to proceed promptly in accordance with these guarantees, the COUNTY or the SUBGRANTEE may have the Work performed at the expense of the contractor.

9. INDEPENDENT CONTRACTOR/SUBGRANTEE AND INDEMNIFICATION.

- a. **In performing the Work, the SUBGRANTEE acts as an independent contractor responsible for calculating, withholding, and paying all Federal and State taxes and for obtaining necessary and adequate workers' compensation insurance, general liability insurance and any other insurance required under this Agreement. SUBGRANTEE employees are not and shall not become employees, agents or servants of the COUNTY hereunder. The SUBGRANTEE and SUBGRANTEE employees are not entitled to unemployment insurance benefits unless unemployment compensation coverage is provided by the SUBGRANTEE or some other entity and the SUBGRANTEE is obligated to pay Federal and State income tax on any monies paid pursuant to this Agreement.**
- b. To the extent allowed by law, SUBGRANTEE hereby agrees to indemnify and hold harmless COUNTY, COUNTY'S officers, officials, and employees for all losses, damages or liability incurred or suffered by COUNTY for any negligent act or omission of the SUBGRANTEE or SUBGRANTEE'S subcontractors, officers, employees and agents in the performance of this Agreement. Nothing herein shall be construed as a waiver of defenses available to the either party under the Governmental Immunity Act.

The SUBGRANTEE specifically agrees to comply in the performance hereof with all of the requirements set forth in Exhibit 5 which exhibit is incorporated herein by this reference and with all local, state and federal ordinances, codes, laws, rules, regulations, orders, and guidelines that are referenced herein and applicable to the Scope of Services or that may be or become applicable to the Scope of Services even though not stated herein.

Said report shall be in a format approved by COUNTY and shall be directly related to the Scope of Services and Project Budget. The contents of the report shall provide data and information to COUNTY to be used for coordinating, monitoring and evaluating the Scope of Services to its completion. Failure to submit said report may constitute grounds for withholding compensation.

12. TERMINATION AND EXCUSABLE DELAYS.

- a. Termination for Cause. If, for any reason, the SUBGRANTEE shall fail to substantially perform the work required by the Scope of Services under this Agreement or fails to ensure the performance of, by legal means if necessary, the work called for herein with such diligence as will ensure its completion within the Period of Completion of this Agreement or as the period may have been amended, or materially fails to comply with any of the terms, conditions, or other provisions of this Agreement which shall constitute a violation or breach of this Agreement, the COUNTY may, for cause, terminate this Agreement in advance of the end of the stated Period of Completion by giving written notice to the SUBGRANTEE at least 10 working days in advance of the effective termination date and shall state in the notice the reason or reasons for the termination. In the event of termination under this subparagraph, the SUBGRANTEE shall be paid for all work satisfactorily completed commensurate with the amount of work done on the Scope of Services up to the date of termination less all amounts previously paid; provided, however, that the SUBGRANTEE shall not be paid nor be considered eligible for payment of termination expenses, incidental, direct or consequential costs or damages or loss of profits due to the termination. In addition to the other remedies available to it, in the event the COUNTY terminates this Agreement due to the SUBGRANTEE's failure to cure any default as provided herein above or due to the SUBGRANTEE's breach or violation of any covenant, agreement or assurance herein, the COUNTY retains the right and may, at its option, make written demand for repayment of, and SUBGRANTEE shall immediately upon receipt of such written demand of the COUNTY, repay all sums received by the SUBGRANTEE from the COUNTY under this Agreement as of the date of said demand, plus interest thereon at the legal rate plus all expenses incurred by the COUNTY, including reasonable attorney's fees incurred in recovering said sums, except that SUBGRANTEE may retain amounts which reflect payment for work satisfactorily completed.
- b. Termination for the Convenience of the COUNTY. This Agreement may be terminated by the COUNTY at any time in advance of the end of the Period of Performance. In such event, the COUNTY shall give notice thereof to the SUBGRANTEE as provided in subparagraph (a) above, and the SUBGRANTEE shall be paid for all work satisfactorily completed commensurate with the amount of work done on the Scope of Services up to the date of termination less all amounts previously paid, and in addition thereto, any other amount as mutually

- e. Reversion of Assets. Upon the termination of this Agreement, the SUBGRANTEE shall transfer to the COUNTY any CDBG funds on hand at the time of termination and any accounts receivable attributable to the use of CDBG funds. Such damages may include funds that the COUNTY must return to HUD because of HUD's disqualification of Scope of Services funded.
15. AMENDMENTS.
- a. Either party to this Agreement may request Amendments to this Agreement at any time, but no change shall be binding unless it is mutually agreed upon by the parties to this Agreement. All Amendments shall be in writing and authorized prior to any work being done thereon by an executed amendment to this Agreement. 17. NON-ASSIGNABILITY. SUBGRANTEE may subcontract the performance under this Agreement in whole or in part; however, the responsibility for the performance of this Agreement shall not be assigned or transferred by the SUBGRANTEE without the prior written consent of the COUNTY. ### **SCOPE OF SERVICES**

Larson Park is a 2.7 acre park which has existed since before the city was incorporated in 1969. The playground was last renovated in 2000, and that equipment has now exceeded its useful life.

The City maintains its 27 parks by rotating the replacement of playground equipment in one or two parks each year. Larson Park is currently past due for a full playground replacement. Upon surveying the existing condition of the park, it seemed apparent that the playground was not being highly utilized. City staff sent out a usage survey to the residents living within a three block radius of the park. The response rate of the survey was approximately 32% (83 of 256 surveys were returned), with an overwhelming amount of the responses stating that they and their children would use the park more frequently if there was not only new and more diverse equipment, but other additional new amenities and changes to the layout of the park as well.

The current playground equipment for children ages 2 to 5 is located on the east side of the park, near the road, and far from the equipment for older children. The location is perceived as dangerous due to the proximity to the road. It is also difficult for parents to watch children of different age groups. Part of the budget for this project would be dedicated to re-designing the park to relocate the play area for younger children away from the road and directly adjacent to the older children's equipment. This includes relocating existing irrigation and utilities, adding a new concrete curb and basin and the associated excavation, and renovating the surrounding landscaping. The City would then be able to accommodate requests for the addition of adult fitness equipment, which would be placed where the younger children's play equipment is currently located. The attached map (attachment D) displays the current and proposed new layout of Larson Park.

The existing playground equipment is not only aged and damaged, but is generally unappealing to children. The new playground equipment will meet a wider variety of children's developmental needs, encourage creativity and physical movement. In addition, the current older children's play structure does not have any play elements that could realistically be used by a child who utilizes a wheelchair or has mobility limitations. The new playground equipment will not only meet all current ADA standards, but will also be a desirable place to play.

In addition to replacing the playground equipment, the proposed project also includes additional a shaded pavilion with picnic tables, a water fountain, additional trash and recycling stations, and a dog bag dispenser. All of these new amenities address the needs and desires that were expressed by the residents in the survey responses, and make the park more appealing to local residents.

1. DISPLACEMENT, RELOCATION, AND ACQUISITION. The Subgrantee must ensure that it has taken all reasonable steps to minimize the displacement of persons (families, individuals, businesses, nonprofit organizations, and farms), as a result of the activities of its Project. Notice shall be given by the Subgrantee of the actions to be undertaken and shall advise the tenants that displacement or relocation may be required on their part. If displacement should occur the Subgrantee must ensure that:

(a) Relocation benefits shall be provided for all families whose occupied housing is demolished or converted to a use other than for low or moderate income housing, including reimbursement for actual and reasonable moving expenses, security deposits, credit checks, and other moving-related expenses, including any interim living costs; and, in the case of displaced persons of low and moderate income, provide either:

- (1) compensation sufficient to ensure that, for a 42 month period, the displaced families shall not bear, after relocation, a ratio of shelter costs to income that exceeds 30 percent; or
- (2) if elected by a family, a lump-sum payment equal to the capitalized value of the benefits available under subclause (1) to permit the household to secure participation in a housing cooperative or mutual housing association.

(b) Persons displaced shall be relocated into comparable replacement housing that is:

- (1) decent, safe, and sanitary;
- (2) adequate in size to accommodate the occupants;
- (3) functionally equivalent to the displacement dwelling; and,
- (4) in an area not subject to unreasonably adverse environmental conditions from either natural or human sources.

(c) Persons displaced shall have the right to receive benefits under the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, if such persons determine that it is in their best interest to do so; and, where a claim for assistance under subparagraph (a) is denied by the Subgrantee, the claimant may appeal to the County and then to HUD and the decision of the County shall be final unless HUD or a court determines the decision was arbitrary and capricious.

(d) County Appeal Procedures - General Statement: Any claimant may appeal in the following manner:

Procedures: The claimant will file a written appeal within three working days of denial, providing detailed information which substantiates the complaint, with the Program Manager of Community Development, with a copy being sent to the County Administrator. The Program Manager of Community Development may invoke an immediate stay of the decision upon receipt of such complaint. Within fifteen (15) working days after receipt of such complaint the Program Manager of Community Development will investigate the complaint and render a decision.

In the event that the dispute is not resolved between the Program Manager of Community Development and the claimant, the claimant shall within three working days after the dispute is not resolved, send a copy of the original complaint, along with a cover letter to the County Administrator which states that the claimant is unsatisfied as to the response by the Program Manager of Community Development. A copy of the cover letter shall be sent to the Program Manager of Community Development. Upon receipt of the complaint by the County Administrator, the

County Administrator will: 1) Render a written decision within fifteen (15) working days after receipt of the complaint; and 2) Forward the complaint to the U.S. Department of Housing and Urban Development (HUD).

2. AFFIRMATIVELY FURTHERING FAIR HOUSING. The Subgrantee shall affirmatively further fair housing in addition to conducting and administering its Project in conformity with the equal opportunity requirements of Title VI of the Civil Rights Act of 1964 and the Fair Housing Act, as required herein.

3. UNIFORM ADMINISTRATIVE REQUIREMENTS. The Subgrantee shall comply with the applicable uniform administrative requirements, as described in 24 CFR Section 92.505.

The Subgrantee, when not a government entity, shall not use any ADDI funds to finance the use of facilities or equipment for political purposes or to engage in partisan political activities.

(b) Lobbying - The Subgrantee certifies by execution of this Contract that, to the best of its knowledge and belief:
