Why Do You Want to Be a Member of the Board of Directors of the Northglenn Youth Commission?:

I want to be on the Board of Directors of the Northglenn Youth Commission because I care about my community and want to help make it better for teens like me. I think it's important for young people to have a say in what happens. I like helping others and sharing ideas, and this would give me a chance to do that. I also want to learn how to be a better leader and work with others to make a real difference.

How Does City Government Affect Your Life?:

City government affects my life because it helps take care of things like parks, streets, and libraries. They plan fun events and help keep people safe. The rules they make can change what my neighborhood is like. Even if I don't always think about it, their choices affect what I do every day.

What Other Organizations, Clubs or Teams You Are Currently A Member Of?:

I'm currently a member of Key Club, the track team, and the drone soccer club. I also volunteer at the Children's Museum and Wings Over the Rockies. These activities have helped me learn how to work with others, stay focused, and give back to my school and community.

What Do You Want to Accomplish for Youth in the City of Northglenn?:

I want to help make Northglenn a better place for kids and teens. I want to share ideas for fun and safe activities, like events, clubs, or places to hang out. I also want to listen to what other young people need and bring their ideas to the city. I hope to make sure youth feel heard, supported, and part of the community.

What Impact Do You Think That Youth of Your Age Can Have in Our City?:

I think youth my age can have a big impact because we see things in a different way and have fresh ideas. We know what other teens care about, and we can speak up about what's working and what's not. If we work together and share our thoughts, we can help make Northglenn better for everyone, not just for kids but for the whole community.
