

**NORTHGLENN POLICE DEPARTMENT  
COUNCIL MEMORANDUM #2018-05**

DATE: February 26, 2018

TO: Honorable Mayor Carol Dodge and City Council Members

FROM: James A. Hayes, AICP, City Manager   
James S. May, Jr., Chief of Police 

SUBJECT: **CR-36 - 2018 Police Department Radio Purchases**

---

**PURPOSE**

City Council is considering a Resolution to purchase sixteen (16) Motorola radios for the Patrol Division and four (4) Motorola radios for our Victim Services Unit.

**BACKGROUND**

The current radio systems being utilized by the Northglenn Police Department are in the process of being phased out. Support for the Model 5000 ended in 2017 and the support for Model 2500 will end in 2020. The lack of support includes parts and repair.

Beginning in 2020, a Federal mandate requires departments to move to narrow-band only radios. The mandate necessitates the department to replace all of our radios.

Last year, we were able to purchase sixteen (16) Motorola radios. This year, due to the National Association of State Procurement Officers ValuePoint pricing, we are able to purchase sixteen (16) Patrol radios for the amount of \$56,098.88 and four (4) Motorola radios for the Victim Services Unit for the amount of \$13,639.28. It is important that we replace our Patrol radios as other surrounding agencies have encrypted radios and we want to ensure that our officers are able to communicate with them as well as to maintain officer safety.

**BUDGET IMPLICATIONS**

The total amount approved in the 2018 Budget for the purchase of the Patrol radios is \$55,000 and \$14,000 for the purchase of radios for Victim Services. Funds to cover the additional \$738 are in the 2018 Police Department Patrol budget.

**CITY COUNCIL OPTIONS**

The Police Department would not have an adequate radio system as our support for Models 5000 expired in 2017 and will expire in 2020 for Models 2500. The Federal mandate requires us to replace our radios to be compliant to narrow-band only radios by the year 2020.

**STAFF RECOMMENDATION**

Staff recommends Council to approve the purchase of sixteen (16) Motorola radios for Patrol and four (4) Motorola radios for our Victim Services Unit.
