Albertsons Food Center #854

Mayor Novak read the procedures to be used into the record for the show cause hearing for Albertsons Food Center #854, 1000 W. 104<sup>th</sup> Avenue.

Mr. Corey Hoffmann, Assistant City Attorney, stated that an employee of the licensee had been cited for selling alcohol to a minor on July 15, 2005 and had pled guilty to the charge in municipal court on August 23, 2005. He submitted a certified copy of the municipal court proceedings for the case and stated this shows that a violation has conclusively been proven.

Mr. Hoffmann provided information on the licensee's violation history and suggested that an appropriate time of suspension, depending on mitigating circumstances, would be up to 14 days based on the penalty guidelines.

City Clerk Lentz swore in Mr. Dennis Barkell, Manager of Albertsons Food Center #854.

Mr. Paul Lumbye, Counsel for Albertsons, Inc., apologized on behalf of the licensee for the violation and presented information about the licensee's training programs for employees. He stated Albertsons uses a register that asks for a birth date to be input when an alcohol beverage is scanned during a transaction. He stated Mr. Barkell had issued a storewide notice to all employees and meetings have been conducted as a result of the violation. Mr. Lumbye stated Albertsons is committed to being a good corporate citizen and asked the Authority to consider a suspension of twelve to thirteen days.

There were questions from the Authority about the ability to manually override the registers for alcohol sales and the types of internal compliance checks being used.

Mr. Barkell stated he has been using high school students to perform internal stings in the store, and he has not had any employees sell to the minors. Mr. Barkell also provided testimony about the violation that occurred on July 15<sup>th</sup>.

Ms. Garner asked if the licensee, or owner, was cited for the violation. City Attorney Phillips stated the summons and complaint was dismissed in municipal court because the manager, not the owner, had been cited along with the employee.
