

Parks, Recreation and Cultural Services Department
Memorandum #10-2016

DATE: September 12, 2016

TO: Honorable Mayor Joyce Downing and City Council Members

FROM: James Hayes, AICP, City Manager *JH*
Amanda J. Peterson, Director of Parks, Recreation and Culture *ajp*

SUBJECT: CR- 95 – Parks, Recreation & Cultural Services 2017 Fee Schedule

RECOMMENDATION

As per section 17-2-7(j) of the municipal code, it is the duty of the Parks and Recreation Advisory Board “to establish the parks and recreation fee schedule on an annual basis, subject to City Council review, and to submit such fee schedule to the City Council prior to September 30th each year.”

The fees that have been proposed in the attached user fee schedule are developed based upon the User Fee Guidelines that have been adopted by the Parks & Recreation Advisory Board. These guidelines were originally developed in 1991, and have been updated as necessary since that time. The last revision was done in March 2009, and the policy has been reviewed annually since that time. In accordance with the User Fee Guidelines, fees are developed based upon the actual cost to provide the service as well as the fees that are charged by our surrounding cities. Other factors that are considered include the public/private benefit of a program, residency and the population (particularly children and seniors) that is served by a program. Fees are provided for all current programs or groups of programs.

Staff has shifted the fee survey from annual to bi-annual, as fees are not changing significantly in the comparison cities year over year. The survey compares the city’s recreation fees to those in Broomfield, Westminster, Thornton, Wheat Ridge, Commerce City, Lafayette, Lakewood, Apex Parks and Recreation, Brighton and Erie. These cities are chosen based on both proximity to Northglenn and similarity in services and/or population. As mentioned above, this fee comparison is just one of the factors for consideration when staff is developing fee recommendations.

The fee recommendations for 2017 are again comparable to the 2016 fees, with a small number of minor changes. Recommended changes for 2017 are identified on the fee schedule in yellow, as are changes that have occurred during the past two years. Changes are based upon increased or decreased demand, costs to provide a service, and cost to receive those same services at the comparison cities. In addition, programs or fee categories that were new in 2016 have been added to the 2017 fee schedule.

BUDGET/TIME IMPLICATIONS

The adoption of the fees is not anticipated to have a significant budget impact.

RECOMMENDATION

Attached to this memorandum is a Resolution, which, if approved, would adopt the City of Northglenn Parks, Recreation & Cultural Services 2017 User Fee Schedule.

The Parks and Recreation Advisory Board reviewed the proposed fees, and unanimously approved the proposed fee schedule at their regular meeting on August 11, 2016.
