# **COVID-19 UPDATE**

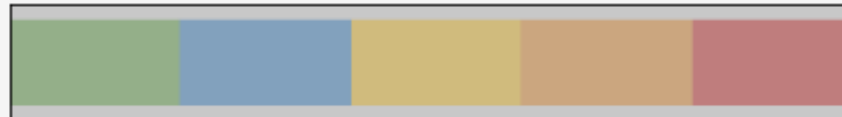

**City Council  
Regular Meeting  
October 26, 2020**

# ADAMS COUNTY

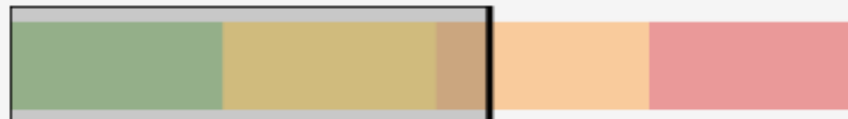

Counties will move between levels based on the metrics and will work with the state to ensure unique local factors are considered. In order to move to a less restrictive level (e.g., Level 2 to Level 1), counties must meet and sustain all three metrics for two weeks. Counties must engage in a consultation process with CDPHE, which may entail moving to a more restrictive level, when they are out of compliance with any of the metrics for more than two weeks.

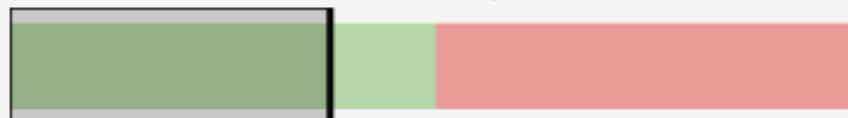

**Adams County Two-Week Cumulative Incidence: 490.1**

**Adams County Two-Week Average Positivity: 10.0%**

**9 Days of Declining or Stable Hospitalizations in Adams County**

# EFFECTIVE WEDNESDAY, OCT. 28 AT 5PM
