

COMMUNICATIONS MEMORANDUM
#6-2021

DATE: June 28, 2021

TO: Honorable Mayor Meredith Leighty and City Council Members

THROUGH: Heather Geyer, City Manager *Hmg*

FROM: Diana Wilson, Director of Communications *DW*
Jenni Murphy, Community Outreach Coordinator

SUBJECT: Neighborhood Beautification Program June Recipients

PURPOSE

To honor the residents chosen as Yard of the Month and Water Wise Yard of the Month recipients for June 2021.

BACKGROUND

The Neighborhood Beautification Program was established in 1998 to recognize residents who have done an outstanding job of making their homes and yards beautiful.

The City is divided into 13 areas, and volunteer judges in each of the areas select winning yards. Nominations are received from residents and neighbors throughout the community.

In June, July, and August, winners are chosen by the judges and receive a large lawn sign to display for a month. City Council recognizes the winners at summer regular meetings. Recipients also receive a letter inviting them to the meeting, where they will be recognized and receive a framed certificate and keepsake garden sign.

There are two program categories: Yard of the Month and Water Wise Yard of the Month. In April, Northglenn declared Stage 1 Drought levels. In conjunction with our citywide water conservation efforts, this year there is more of a focus on recognition of water-wise yards. Residents use techniques such as:

- Less turf
- More water-tolerant plants, flowers, trees, and shrubs
- Additional use of rock, mulch and other landscaping materials that help support water conservation and are considered water-wise

Also, in support of water conservation efforts, the Long-Term Home Beautiful Award typically given at the end of the summer to a home and yard that is a trend-setter for their neighborhood has been suspended this year.

The June 2021 Northglenn Neighborhood Beautification Program recipients are:
