FINANCE MEMORANDUM
#07-06

October 31, 2007

TO: Honorable Mayor Kathleen M. Novak and City Council Members

FROM: A.J. Krieger, City Manager 
Brent Worthington, Finance Director 

SUBJECT: Update City of Northglenn General Employees' Pension Plan

RECOMMENDATION:

Approve CB-1639, an Ordinance amending the amended and restated City of Northglenn General Employees' Pension Plan and Trust Agreement, effective January 1, 2008

BACKGROUND:

On October 9, The Plan Attorney met with the Board to discuss some changes to the Plan mandated by the Pension Protection Act of 2006.

- Modify distribution rules to reflect a non-spouse beneficiary's ability to roll over an interest in a deceased participant's account to an IRA. Formerly, only the spouse could roll over into an IRA.
- Add to the Plan Roth IRAs as eligible rollover plans. Participants would be able to roll over all or part of their benefits to Roth IRAs, subject to special tax rules in the PPA.
- Clarify the Plan's definition of eligible employees to be more specific than the current hours and months definition for Regular Full-time and Part-time employees.

POTENTIAL OBJECTION:

City Staff is not aware of any specific opposition to the proposed changes.

BUDGET/TIME IMPLICATIONS:

It is estimated the fees will be approximately \$500 for each amendment (\$1,500 total). These fees will be paid from the Forfeiture account of the Plan; there will be no impact on the City's budget.

3. ARTICLE VI. BENEFITS, § 6.5 Payment of Benefits, shall be revised as follows:

6.5 PAYMENT OF BENEFITS.

~~6.5~~(A) TIMING OF Payment of Benefits. Within a reasonable time prior to or following termination of a Participant's employment for any reason, the Retirement Board shall provide to the Participant a retirement application form, which shall describe in plain language the terms and conditions of the optional forms of benefits described below and which shall be provided for the Participant to indicate his benefit commencement date, his election of an optional form of benefit, and his Beneficiary or contingent annuitant. The completed retirement application form should be returned to the Retirement Board prior to the Participant's benefit commencement date. If the Participant files another retirement application form after the first form and prior to his benefit commencement date, the earlier form shall be deemed annulled.

The Retirement Board shall follow a Participant's Beneficiary designation and may follow the method of payment, if any, selected by the Participant in the case of a distribution on account of the Participant's death.

Participants with less than ten (10) years of vesting service must commence distribution of benefits as soon as administratively practicable after termination of employment.

Payment of a Participant's benefits must commence within a reasonable time after the Participant's termination of employment, his election to retire after attainment of Early Retirement Age, his election to retire after attainment of Normal Retirement Age, or his death, as the case may be.

In any event, payment of a terminated Participant's benefits shall, unless the Participant otherwise elects a later date in writing, begin not later than the 60th day after the latest of the close of the Year in which (1) the Participant attains Normal Retirement Age, (2) the occurrence of the 10th anniversary of the year in which the Participant commenced participation in the Plan, or (3) the Participant terminates employment with the Employer.

Notwithstanding any provision above to the contrary, distribution of a Participant's benefits shall commence no later than April 1 of the calendar year

following the later of (i) the calendar year in which the participant attains the age of 70 ½ or (ii) the calendar year in which the participant retires. A participant attaining the age of 70 ½ after 1995 shall have the option of commencing distribution by April 1 following the calendar year containing the date the participant attains the age of 70 ½ even if such participant is still employed. Alternatively, distribution to a Participant must begin no later than such taxable year and must be made over the life of the Participant (or lives of the Participant and the Participant's spouse) or over a period not exceeding the life expectancy of the Participant (or the life expectancies of the Participant and the Participant's spouse). All distributions shall be made in accordance with Section 6.6.

(B) MANNER OF PAYMENT. The methods of payment available to a Participant are as follows:

1. ~~(a)~~-Lump sum;
2. ~~(b)~~-By the purchase of a single-premium nontransferable annuity contract from a legal reserve life insurance company, with a term and in a form as the Participant, with the approval of the Retirement Board, shall determine;
3. ~~(c)~~-A joint and 50% survivor annuity; or
4. ~~(d)~~-Periodic payments over a period not exceeding the life expectancy of the Participant (or the joint life expectancies of the Participant and the Participant's designated beneficiary), with any amounts remaining in the Plan to receive income and expense allocations pursuant to Section 5.2 (a) and (c).

A Participant may elect, at the time and in the manner prescribed by the Retirement Board, to have any portion of an Eligible Rollover Distribution paid directly to an Eligible Retirement Plan specified by the Participant in a direct rollover, pursuant to Section 6.9.

Notwithstanding the foregoing, a Participant may elect to defer receipt of the balance in his Mandatory Participant Contribution Accounts and Employee Rollover Account and the vested percentage of his Employer Contribution Account balance (a Participant's "Accrued Benefit"). Such Former Participant shall receive Income allocations pursuant to Section 5.2(a) and shall have trust expenses deducted pursuant to Section 5.2(c) until the balance of the Former Participant's Aggregate Account has been distributed. A Former Participant may make application for distribution of his Aggregate Account in accordance with the procedures contained in this section.

(C) CASH OUT OF SMALL ACCOUNTS. Notwithstanding any provision herein to the contrary, if the value of a Former Participant's Aggregate Account, excluding the value of the Former Participant's Employee Rollover Account, is less than \$1,000, the Plan may distribute the Former Participant's Aggregate Account without the Former Participant's consent. Such \$1,000 amount shall be adjusted as provided in Code Section 411(a)(11)(A).

4. ARTICLE VI. BENEFITS, § 6.9 Direct Rollover Distributions, shall be revised as follows:

6.9 Direct Rollover Distributions. Notwithstanding any provision of the Plan to the contrary that would otherwise limit a distributee's election under this Section, a distributee may elect, at the time and in the manner prescribed by the Board, to have any portion of an Eligible Rollover Distribution paid directly to an Eligible Retirement Plan specified by the distributee in a direct rollover. For the purposes of this Section, a "distributee" includes an Employee or former Employee. ~~In addition, the AN Employee's or former Employee's surviving spouse or nonspouse beneficiary, and the AN Employee's or former Employee's spouse or former spouse who is the alternate payee under a domestic relations order under C.R.S. Section 14-10-113(6), are distributees with regard to the interest of the spouse or former spouse.~~ IN ADDITION A NON-SPOUSE BENEFICIARY IS A DISTRIBUTE, BUT MAY ONLY ELECT A DIRECT ROLLOVER OF HIS OR HER INTEREST TO AN INHERITED INDIVIDUAL RETIREMENT ACCOUNT DESCRIBED IN CODE SECTION 408(A), SUBJECT TO APPLICABLE TAX RESTRICTIONS.

IN WITNESS WHEREOF, we have hereunto set our hands and seals this _____ day of _____, 2007.
