

COMMUNICATIONS MEMORANDUM
#5-2022

DATE: July 10, 2023

TO: Honorable Mayor Meredith Leighty and City Council Members

THROUGH: Heather Geyer, City Manager *hmg*

FROM: Diana Wilson, Director of Communications *DW*
Jenni Murphy, Community Outreach Coordinator

SUBJECT: Neighborhood Beautification Program June Recipients

PURPOSE

To honor Yard of the Month and Water Wise Yard of the Month recipients for June 2023.

BACKGROUND

The Neighborhood Beautification Program was established in 1998 to recognize residents who have done an outstanding job of making their homes and yards beautiful.

Volunteer judges select winning yards in up to 13 areas of the City. Nominations are received from residents and neighbors throughout the community. A panel of volunteer judges also reviews nominations for the Most Magnificent Tree Award and selects a recipient.

In June, July and August, yard winners are chosen by the judges and receive a large lawn sign to display for a month as well as a framed certificate and keepsake garden sign. City Council recognizes the winners at regular meetings. Recipients receive a letter inviting them to the meeting where they will be recognized.

For the yard program there are two categories: Yard of the Month and Water Wise Yard of the Month. In conjunction with the City's water conservation efforts, volunteer judges are on the lookout to recognize yards that use techniques such as:

- Less turf
- More water-tolerant plants, flowers, trees, and shrubs
- Additional use of rock, mulch and other landscaping materials that help support water conservation and are considered water wise

Though the "Water Wise" designation may not be specified, many of the yards demonstrate water conservation methods.

The June 2023 Northglenn Neighborhood Beautification Program recipients are:
