| Are You Familiar With the Master Plan and/or Ordinances of the City of Northglenn? What About Similar Plans or Ordinances in Other Communities? Please List: | Yes, I am pretty familiar with Northglenn ordinances and currently work for a General Contractor who builds in the surrounding communities. I have worked in the Construction Industry for 25 years and would like for my home - the City of Northglenn - to take advantage of my expertise. I am fairly familiar with the City of Westminster Master Plan, but not as well versed on Thornton's. I read Plans and permitting requirements on a regular basis and often find ways for our company to value engineer items that impact both the cost effectiveness, and the end user results with positive outcomes. |
| Have You Ever Attended Any of the City's Boards or Commissions or City Council Meetings? How About Any Similar Meetings in Other Communities? Please List: | Yes, I often attended Westminster City Council meetings. I only moved to Northglenn in late June of 2023, so I'm still pretty new this time. I grew up in Northglenn, and I am a graduate of Northglenn Sr. High School. I have been in attendance at Denver City Council meetings as well, when I was concerned about RTD rates and routes. I often read thru the City Council meeting minutes to see what may be coming down the pipeline in Northglenn. |

| <p>What Traits or Characteristics Do You Feel Can Offer in Problem Resolution? Please List:</p> | <p>My ability to listen to both sides of a conflict and determine best resolution; for example, when encountering conflicts with pedestrian traffic while sidewalks are closed for improvement, I was able to satisfy both the construction company and the walkers by helping them to understand the length of time the sidewalks would be closed and the improvements when construction was completed. Both sides agreed to be courteous to each other with my help and clarification of the changes being made, and in the end, they were happy with the outcome. I have found that by being transparent and very clear about what changes are taking place, most people are understanding and if not excited, at least accepting.</p> |
| <p>Briefly Describe Your Interest in Serving on This Board or Commission. Feel Free to Indicate Any Areas of Expertise, Background, Concerns and/or General Information That May Be Applicable.:</p> | <p>I am a long-time citizen of Northglenn, and I am proud of my city. I grew up attending Leroy Drive Elementary School, Northglenn Hr. High (now middle school) and Northglenn Sr. High. As I have seen the changes over the last 50+ years, I have also seen many good things that continue to take place, both with respect to our citizens and with visitors to our community. Some concerns I have would be to address both the crime rate and the homeless which every community is impacted by. I feel some of the crime can be eliminated by knowing our neighbors better and speaking up when we see instances of activities that are out of place or may be dangerous.</p> |
| <p>Are You Related to Any Employee, Appointee or Elected Official of the City of Northglenn? If So, Please List Them Here:</p> | <p>No.</p> |
| <p>If You Receive Favorable Consideration For an Appointment to a Board or Commission, Would Your Schedule Allow You to Attend These Meetings? If Not, Identify The Number of Meetings You Would Likely Miss:</p> | <p>Yes, I am able to attend and will make this a priority on my calendar.</p> |
