PARKS, RECREATION & CULTURE MEMORANDUM #22-2024

DATE: Sept. 23, 2024

TO: Honorable Mayor Meredith Leighty and City Council Members

THROUGH:

Heather Geyer, City Manager Jason Loveland, Deputy City Manager 2

Amanda J. Peterson, Director of Parks, Recreation & Culture FROM:

SUBJECT: CR-147 – 2025 Parks, Recreation & Culture Fee Schedule

PURPOSE

To consider CR-147, a resolution adopting the 2025 Parks, Recreation & Culture Fee Schedule.

BACKGROUND

Per Section 17-2-7(j) of the Municipal Code, it is the duty of the Parks and Recreation Advisory Board "to establish the parks and recreation fee schedule on an annual basis, subject to City Council review, and to submit such fee schedule to the City Council prior to September 30th each year."

The fees that have been proposed in the attached user fee schedule have been developed based upon the User Fee Guidelines adopted by the Parks and Recreation Advisory Board. These quidelines were originally developed in 1991 and have been updated as necessary since that time. The board updated the policy this year; these updates are in alignment with those developed through Playbook, the Parks Recreation & Culture Long-Range Plan. In accordance with the User Fee Guidelines, fees are developed based upon the actual cost to provide the service as well as the fees that are charged by surrounding cities. Other factors that are considered include the public/private benefit of a program, residency, and the population (particularly children and seniors) that is served by a program. Fees are provided for all current programs or groups of programs.

The proposed fees maintain the 20 to 25% differential between resident and non-resident fees that has been established in the User Fee Guidelines. Recommended increases in fees are in alignment with fees charged in surrounding communities.

Fee increases of note are recommended in the following categories:

- Drop-in and membership for all age groups
- Pedal boats
- Swim lessons
- Preschool
- Musical theatre tuition and tickets
- Northglenn Arts Presents tickets (expanded range)
- Facility rentals
- Pavilion rentals

The Parks and Recreation Advisory Board reviewed the proposed fees and unanimously approved the proposed fee schedule at their regular meeting on Aug. 8, 2024.

BUDGET/TIME IMPLICATIONS

The proposed increases have been reflected in the 2025 revenue projections.

There are no time impacts to the City.

STAFF RECOMMENDATION

Staff recommends approval of CR-147.
