Yes No If no, please explain:

Why do you want to be a member of the Board of Directors for the Northglenn Youth Commission? I want to be a member of the Board of Directors for the Northglenn Youth Commission because I want to become a leader within my community and work with my peers to make a difference for the city of Northglenn.

How does your City government affect your life? City Government affects my life because, as a young adult and a citizen, I'm impacted by the decisions made for the community.

Other organizations, clubs or teams that you are currently a member of:

- Preserve America Youth Summit
- North Suburban Medical Center Volunteer
- Northglenn Citizen's Police Academy (Spring 2015)
- Future Business Leaders of America

What do you want to accomplish for youth in the City of Northglenn? I want to accomplish a variety of fun, engaging activities for the youth in the City of Northglenn. For example, one idea would be to invite people to speak about their occupations to inform youth about possible career choices for their future.

What impact do you think that youth of your age can have in our City? Youth of my age can make an impact in our city by reaching out and voicing their opinions. Since I recently participated as a commissioner in a mock commission meeting, I learned that youth can make a BIG difference when we collaborate with other people within the community.
