BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF NORTHGLENN, COLORADO, THAT:

Section 1. The Northglenn Municipal Code is amended by the addition thereto of a new Section 11-2-17.5 to read as follows:

Section 11-2-17.5. MX Mixed-Use Overlay District.

- (a) Purpose. The Mixed-Use Overlay District (MX) is established in order to achieve, among others, the following purposes:
- (1) Provide an opportunity for a mix of land uses consistent with the City's Unified Development Ordinance, while protecting the public health, safety, and general welfare;
 - (2) Provide for and encourage a balanced, compatible mix of uses, rather than a separation of uses, in a pedestrian-friendly environment;
 - (3) Establish development standards that allow for flexibility while protecting adjacent property from undue adverse impacts;
 - (4) Promote investment in locations where investment is otherwise impeded due to small lot sizes, inefficient shape of the property, the existing underutilized development, or existing "strip" development that impedes pedestrian friendliness, or development that exhibits functional obsolescence; and
 - (5) Create vibrant public spaces through the use of pedestrian-oriented design principles and enhanced aesthetic design of buildings and structures.
- (b) Establishment. A Mixed-Use Overlay District shall be established in accordance with 11-6-4(a). The boundaries of the Mixed-Use Overlay District shall be indicated on the Official Zoning Map and shall be officially denoted as MX. For the purposes of zoning, development, and use regulations, the Mixed-Use Overlay District shall be regulated under the standards of the related mixed-use zone as established in Article 2.

- (c) Procedures for Development Approval.
 - (1) Generally. Applicants wishing to pursue development in accordance with the Mixed-Use Overlay District parameters on land that has been designated MX may do so via the application process delineated in *Article 6: Administration and Procedures*. Development Review Procedures applicable to a Mixed-Use Overlay District Development fall under Major Site Plan requirements (Section 11-6-5(a)(3)) unless otherwise determined by the City.
 - (2) Additional Provisions. Any existing provisions that are not covered by this section shall be governed by the respective provisions and requirements found elsewhere in the Unified Development Ordinance, unless modified by the Mixed-Use Overlay District Development Permit Application as provided for below.
- (d) Permitted Uses.
 - (1) Generally. Unless regulated in this section or modified as provided for in Section 11-2-17.5(c)(3), a Mixed-Use Overlay District Development shall comply with the following regulations, as is pertinent:

 - (C) Article 2: Zoning Districts, Section 10: MR Mixed-Use Regional; and
 - (D) Article 3: Use Regulations
 - (2) Additional Considerations. In determining the appropriateness of each proposed use, the City shall determine that the plan satisfies one or more of the following:
 - (A) That the proposed uses will fulfill the purpose statements expressed in Section 11-2-17.5(a);
 - (B) That the proposed use(s) contributes to the pedestrian atmosphere desired by the City;
 - (C) That the proposed use(s) promotes a vital, mixed-use environment;
 - (D) That the proposed use(s) is compatible with any other and will not unduly impact the public health, safety, and general welfare;
 - (E) That the proposed use(s) will further the creation of a Mixed-Use development that can be used by residents of the Mixed-Use Development, users of other establishments in the Mixed-Use Development as well as adjacent parcels, if applicable; or

- (F) That the proposed uses will include the necessary diversity of uses needed to prevent the segregation of uses and to ensure a dynamic developed site.
